The Papers Of Woodrow Wilson Vol 44 1917:

Papers of Woodrow Wilson. Vol. 44. Aug. 21-Nov. 10, 1917 A. S. Link, 1983 **Woodrow Wilson and World War I**
Richard Striner, 2014-03-21 Woodrow Wilson is often considered one of the greatest presidents in American history because in the first two years of his presidency he succeeded on many fronts However acclaimed author and historian Richard Striner now makes the case that a presidency that is too often idealized was full of missteps and failures that profoundly affected America's politics and people long after it ended While other negative assessments of Wilson's leadership have been one-sided Striner's critique though undoubtedly scathing is judicious nuanced and fair With detailed description and accessible prose Striner sheds light on how as soon as America entered World War I flaws of Wilson's were exposed as the pressure on his administration mounted This book is a story of presidential failure a chronicle of Woodrow Wilson's miscalculations in war and a harrowing account of the process through which an intelligent American leader fell to pieces under a burden he could not bear **Lloyd George at War, 1916-1918** George H. Cassar, 2011-07 Lloyd George at War 1916-1918 refutes the traditional view that Lloyd George was the person most responsible for winning the Great War Cassar's careful analysis shows that while his work on the home front was on the whole good he was an abysmal failure as a strategist and nearly cost Britain the war **The Public Papers of Woodrow Wilson: War and peace : presidential messages, addresses, and public papers (1917-1924)** Woodrow Wilson, 1927 *The Public Papers of Woodrow Wilson: The new democracy; presidential messages, addresses, and other papers (1913-1917)* Woodrow Wilson, 1927 **The Public Papers of Woodrow Wilson: War and peace; presidential messages, addresses, and public paper (1917-1924)** Woodrow Wilson, 1927

All the Presidents' Bankers Nomi Prins, 2014-04-08 Prins shows how powerful Wall Street bankers partnered with presidents to become the unelected leaders of the 20th century *Diplomacy* Henry Kissinger, 2012-10-01 Kissinger's absorbing book tackles head on some of the toughest questions of our time Its pages sparkle with insight Simon Schama in the NEW YORKER Spanning more than three centuries from Cardinal Richelieu to the fragility of the New World Order DIPLOMACY is the now classic history of international relations by the former Secretary of State and winner of the Nobel Peace Prize Kissinger's intimate portraits of world leaders many from personal experience provide the reader with a unique insight into what really goes on and why behind the closed doors of the corridors of power Budding diplomats and politicians should read it as avidly as their predecessors read Machiavelli Douglas Hurd in the DAILY TELEGRAPH If you want to pay someone a compliment give them Henry Kissinger's DIPLOMACY It is certainly one of the best and most enjoyable books on international relations past and present DIPLOMACY should be read for the sheer historical sweep the characterisations the story telling the ability to look at large parts of the world as a whole Malcolm Rutherford in the FINANCIAL TIMES

America, History and Life, 1988 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide The Allied Intervention in Russia,

1918-1920 I. Moffat, 2015-02-26 This work explores the reasons for the Allied intervention into Russia at the end of the Great War and examines the military diplomatic and political chaos that resulted in the failure of the Allies and White Russians to defeat the Bolshevik Revolution
