Robert H. Stein

The Parables Of Sitten:

An Introduction to the Parables of Jesus Robert H. Stein,1981-01-01 A clear and thorough introduction to the best known of Jesus teachings this much needed text examines what parables are why Jesus taught in parables and the purpose and place of parables in the Gospel narratives Invaluable for the beginning seminary or college students and for church study groups this enlightening work reveals the meaning of the parables when they were first given their meaning for the Gospel writers and their meaning for us today *The Parables of Jesus* Arland J. Hultgren,2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached **The Parables of Jesus the Galilean** Ernest van Eck,2016-08-09 Who do we meet in the stories Jesus told In *The Parables of Jesus the Galilean Stories of a Social Prophet* a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God The Method and Message of Jesus' Teachings Robert H. Stein,1994-01-01 This useful and practical book provides the college student seminarian church study group and interested lay person with a much needed introductory guide on the how method and the what message of Jesus teachings In this revised edition Robert Stein updates his classic work adds a new bibliography and introduces use of the New Revised Standard Version of the Bible bringing this important text to a new generation of students **The Parables in Q** Dieter Roth,2018-05-17 Few New Testament topics have been discussed as often and as intensely as Q the hypothesized second major source alongside the gospel of Mark for the gospels of Matthew and Luke and the parables And yet no monograph to date has been devoted to considering the parables in Q In addition to filling this gap in New Testament scholarship Dieter T Roth addresses the need to move scholarship on both Q and the parables forward along methodological and interpretive lines Roth considers Q not as a text behind Matthew and Luke that needs to be reconstructed but rather as an intertext between Matthew and Luke that offered plots characters and images in parables that were taken up by Matthew and Luke and utilized in their own respective texts In addition Roth draws on recent parables research in his examination of the 27 parables in Q two spoken by John the Baptist one by the Centurion and 24 by Jesus in order to consider their purpose and function in this early Christian text The Living Church ,1982 **A Theology of the New Testament** George Eldon Ladd,1993-09-02 Ladd s magisterial work on New Testament theology has well served scores of seminary students since

1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

The Authenticity of the Parable of the Wheat and the Tares and Its Interpretation Ramesh Khattri, 2000-07 This thesis seeks to demonstrate the authenticity as dominical teaching of the parable of the darnel Mt 13 24 30 and its interpretation Mt 13 36 43 The interpretation in particular is almost universally regarded as non dominical notably by J Jeremias and his followers My thesis argues that the whole of Mt 13 36 43 and Mt 13 24 30 should be seen as dominical The introduction gives a brief survey of parabolic studies and outlines the case against the authenticity of Mt 13 24 30 36 43 Chapter AI defends the authenticity of the parable Mt 13 24 30 The following chapters do the same for the interpretation Mt 13 36 43 looking at the Son of Man and related teaching chapter BI the kingdom of God BII righteousness and lawlessness BIII and other motifs BIV and finally the question of the coherence of the parable and its interpretation BV My approach has been negatively to demonstrate the weakness of the scholarly arguments against authenticity and positively to offer a case for authenticity via a study of background including special study of the rural Palestinian practices and of relevant Jewish theological ideas and a careful use of the criterion of multiple attestation which demonstrates that our material is linguistically and theologically coherent with other well attested Jesus tradition The originality of the work lies apart from anything else in the fact that a full length defence of the authenticity of Mt 13 24 30 36 43 has not been attempted before But we have also brought to bear various insights canvassed in other contexts but not specifically in connexion with Mt 13 24 30 36 43 e g suggesting a background to the Son of Man tradition in Ezekiel and the Similitudes of Enoch making use of the Old Testament concept of God as farmer explaining the agricultural background to the parable and interpretation *Hermeneutics* Henry A. Virkler, Karelynne Gerber Ayayo, 2023-10-24 This textbook provides students and general readers with clear accessible guidance for interpreting the Bible With nearly 120 000 copies sold it has become a trusted resource for serious students of the Bible The authors successful approach shows how proper theory leads to sound practice This book gives readers not only an understanding of the principles of proper biblical interpretation but also the ability to apply those principles in sermon preparation personal Bible study or writing The authors outline a seven step hermeneutical process that includes 1 historical cultural analysis 2 written contextual analysis 3 lexical syntactical analysis 4 literary analysis 5 theological analysis 6 comparison with other interpreters and 7 application The third edition has been updated throughout to account for new developments in the field and to incorporate feedback from professors and students Exercises have also been updated and streamlined Resources for instructors are available through Textbook eSources *Interpreting the Parables* Craig L. Blomberg, 2012-07-16 Craig Blomberg surveys the contemporary critical approaches to the parables including those that have emerged in the twenty years since the first edition This widely used text has taken a minority perspective and made it mainstream with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major
