The Parks Of British Columbia:

The Parks of British Columbia Doug Tatreau, Bobbe Tatreau, 1973 **British Columbia by the Road** Ben Bradley, 2017-06-07 In *British Columbia by the Road* Ben Bradley takes readers on an unprecedented journey through the history of roads highways and motoring in British Columbia's Interior a remote landscape composed of plateaus and interlocking valleys soaring mountains and treacherous passes Challenging the idea that the automobile offered travellers the freedom of the road and a view of unadulterated nature Bradley shows that an array of interested parties boosters businessmen conservationists and public servants manipulated what drivers and passengers could and should view from the road When it came to roads and highways planners and builders had two concerns grading or paving a way through the wilderness and opening pathways to new parks and historic sites They understood that the development of a modern road network would lead to new ways of perceiving BC and its environment Although cars and roads promised freedom they offered drivers a curated view of the landscape that shaped the province's image in the eyes of residents and visitors alike
