The Partly Cloudy Patriot:

The Partly Cloudy Patriot Sarah Vowell, 2003-10 The author shares her perspective on such topics as the 2000 election present day civil rights activists and the relationship between the United States and Canada The Partly Cloudy Patriot Sarah Vowell, 2001-01-01 From the author who Nick Hornby calls smart funny soulful and even educational a smart funny soulful and even educational collection of first person experiences about life in America Vowell captures the hilarious and moving things that happen when she confronts history Weak Nationalisms Douglas Dowland, 2019-07 The question What is America has taken on new urgency Weak Nationalisms explores the emotional dynamics behind that question by examining how a range of authors have attempted to answer it through nonfiction since the Second World War revealing the complex and dynamic ways in which affects shape the literary construction of everyday experience in the United States Douglas Dowland studies these attempts to define the nation in an eclectic selection of texts from writers such as Simone de Beauvoir John Steinbeck Charles Kuralt Jane Smiley and Sarah Vowell Each of these texts makes use of synecdoche and Weak Nationalisms shows how this rhetorical technique is variously driven by affects including curiosity discontent hopefulness and incredulity In exploring the function of synecdoche in the creative construction of the United States Dowland draws attention to the evocative politics and literary richness of nationalism and connects critical literary practices to broader discussions involving affect theory and cultural representation **Political Campaigns** Peter Kogler, 2020-07-15 Political campaigns are an intrinsic piece of the increasingly expensive and polarizing road to Election Day This volume looks into the many aspects of political campaigns including nominations political advertising and the laws and policies in place to protect the voting process Through in depth main text featuring annotated quotes sidebars charts and graphs readers learn about the influence of social media on Election Day and the ways psychology can help candidates win They ll survey what voting might look like in the future Readers are also presented with questions to help them review and think critically about this issue **Teachers Have it Easy** Dave Eggers, Henry Louis Gates, Daniel Moulthrop, Ninive Clements Calegari, 2010-07-19 Since its initial publication and multiple reprints in hardcover in 2005 Teachers Have It Easy has attracted the attention of teachers nationwide appearing on the New York Times extended bestseller list C SPAN and NPR s Marketplace in additio

Developing Creativity in the Classroom Todd Kettler, Kristen N. Lamb, Dianna R. Mullet, 2021-09-03 Developing Creativity in the Classroom applies the most current theory and research on creativity to support the design of teaching and learning Creative thinking and problem solving are at the heart of learning and application as students prepare for innovation driven careers This text debunks myths about creativity and teaching and instead illustrates productive conceptions of creative thinking and innovation including a constructivist learning approach in which creative thinking enhances and strengthens conceptual understanding of the curriculum Through models of teaching that support creativity and problem solving this book extends the idea of a creative pedagogy to the four core curriculum domains Developing

Creativity in the Classroom focuses on explanations and examples of how creative thinking and deep learning merge to support engaging learning environments rising to the challenge of developing 21st century competencies
