Author Nikita Slater Shaun's life changes in an instant when she's kidnapped from a hospital where she works as a surgeon with Doctors Without Borders. She's faced with two choices: save the mafia informant or die. She finds herself in a dangerous situation where the only man she can trust is the vicious enforcer to a crime family, Jozef Koba. From the operating room to an opulent glittering ballroom and a forced engagement, Shaun is wildly out of her depth. Every step she takes is monitored, and the man who kidnapped her watches her like a feral dog preparing to strike. A mob war. A family in crisis. A rise to power. Together, Jozef and Shaun must show the world a new Koba empire built from the ashes of destruction and put back together with the strength of their love.
