The Past Present And Future Of Biblical Theology:

The Past, Present, and Future of Biblical Theology James D. Smart, 1979 **Biblical Theology** Carey Walsh, Mark W. Elliott, 2016-08-03 This book offers two things in particular first these are papers that have been commented on and reworked in the context of a set of lively sessions from International SBL conferences from 2012 to 2014 Amsterdam St Andrews Vienna Second they offer an insight into the origins of the discipline as one which became conscious of itself in the early modern era and the turn to history and the analysis of texts to offer something exegetical and synthetic The fresh wind that the enterprise received in the latter part of the twentieth century is the focus of the second part of the volume which describes the recent activity up to the present state of the question The third part takes a step further to anticipate the way forward for the discipline in an era where canon but also Scripture and theology seem to be alien terms and where other ideologies are advanced in the name of neutrality Biblical Theology will aim to be true to the evidence of the text it will not always see clearly but it will rely on the best of biblical criticism and theological discernment to help it That is the spirit with which this present volume is imbued **The Past, Present, and Future of Evangelical Mission** Narry F. Santos, Xenia Ling-Yee Chan, 2022-07-15 Crisis is an invitation to both prophetic evaluation and new imagination In this volume Canadian missiologists and practitioners consider the past and how the past might enable the church to move forward in Christian mission in the academy agency assembly and the agora How can the Canadian church welcome different voices from the periphery What must be done to empower the next generation How can we respond in light of the injustices done to our Indigenous brothers and sisters Where does reconciliation fit into the picture How might we navigate between secularization and fundamentalisms How ought we move together in mission and in unity across denominational difference How can we equip laypeople to live their callings faithfully in the agora How can work in the marketplace be ministry And lastly how is the Spirit at work in our contexts in this day and age These questions among others onboard us into the ongoing conversation about the state of evangelical mission in Canada and each of these essays adeptly lead us into the beginnings of answers to these questions These essays address how the past informs our future and how we might answer the prophetic call with both hope and renewed vigor to participate in the mission of God **The Past, Present, and Future of Theologies of Interreligious Dialogue** Terrence Merrigan, John Friday, 2017-03-17 The Past Present and Future of Theology of Interreligious Dialogue brings together several of the most widely regarded specialists who have contributed to theological reflection on religious diversity and interreligious encounter The chapters are united by the consistent theme of the obligation to engage with the challenges that emerge from the tension between the doctrinal traditions of Christianity and the need to reconsider them in light of and in response to the fact of religious otherness As a whole these reflections are motivated by the desire to bring together a significant selection of different theological approaches that have been developed and appropriated in order to engage with religious difference in the past and present as well as to suggest possibilities for

the future This confluence of perspectives reveals the complexity of theological reflection on religious diversity and gives some indication of future challenges that must be acknowledged and perhaps successfully met in the ongoing attempt to address a universal reality in light of traditional doctrinal particularities and cultural concerns The Work Of Christ: Past, Present and Future Arno Clemens Gaebelein,2019-12-12 In *The Work of Christ Past Present and Future* Arno Clemens Gaebelein provides an expansive theological exploration of Christ s redemptive work across time Drawing from Scripture Gaebelein employs a didactic literary style that marries exegesis with practical application bridging biblical history with contemporary Christian life He systematically addresses Christ s roles from His pre incarnate existence through His earthly ministry to His future return establishing a comprehensive framework that is both academically rigorous and accessible to a broad audience The work reflects the optimism of early 20th century evangelicalism inviting readers to engage with doctrinal clarity amid the complexities of modernity Arno Clemens Gaebelein a prominent theologian and biblical scholar dedicated his life to the study of Scripture and its applications in everyday faith His experiences as a pastor and a teacher along with his involvement in the prophetic movements of his time deeply informed his theological perspective and compelled him to address the significance of Christ s work in a rapidly changing world Gaebelein s unique insights into eschatology and systematic theology offer a substantial contribution to understanding the Christian faith Readers seeking a profound and comprehensive understanding of Christ s redemptive work will find Gaebelein s book invaluable His meticulous scholarly approach combined with heartfelt devotion makes this work a vital resource for both theologians and laypersons alike Whether for personal growth or academic study *The Work of Christ* is a compelling invitation to delve into the heart of Christian faith and doctrine *Jürgen Moltmann's Ethics of Hope* Dr Timothy Harvie,2013-05-28 This book develops a thorough account of the sphere of human moral action in sustained dialogue with Jürgen Moltmann By examining God s role as promise giver particularly in the Christian understanding of resurrection this work describes the occupancy of both history and space in moral terms This leads to an understanding of Jesus description of the kingdom of God to feature prominently in describing both the possibility and content of human moral action By offering an account of each of the main doctrines found in Moltmann s corpus the role of the future the Trinity the Holy Spirit and anthropology this book locates how each contributes to the understanding of ethics from a Christian perspective and subsequently applies these findings to the contemporary issue of poverty and global economics **Christian Theology** Alister E. McGrath,2011-01-14 Alister McGrath s *Christian Theology An Introduction* is one of the most internationally acclaimed and popular Christian theology textbooks in use today This 5th edition has been completely revised and now features new and extended material numerous additional illustrations and companion resources ensuring it retains its reputation as the ideal introduction to Christian theology Fully updated 5th edition of the bestselling textbook incorporating expanded material numerous student features and new illustrations Features new sections on Copernicanism and Darwinism Includes extended discussions of Augustine s doctrine

of creation Trinitarian theologies of religion and the relation of Christianity to other faiths May be used as a stand alone volume or alongside the Christian Theology Reader 4th edition for a complete overview of the subject Retains the chapter structure of the 4th edition ensuring comparability with earlier editions and courses based on these Accompanied by a revised instructor s website featuring expanded resources including study questions and answers visit www.wiley.com/go/mcgrath for more details and to register for access *Biblical Theology* ,2016 *The Past, present & future of the Yale University School of Medicine and affiliated clinical institutes* ,1922 **Sino-Christian Theology** Pan-Chiu Lai,2010 Sino Christian theology usually refers to an intellectual movement emerged in Mainland China since the late 1980s The present volume aims to provide a self explaining sketch of the historical development of this theological as well as cultural movement In addition to the analyses on the theoretical issues involved and the articulations of the prospect concrete examples are also offered to illustrate the characteristics of the movement
