Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **1-2 Timothy & Titus** Philip H. Towner, 1994 Questions about the nature of Christian leadership and authority attitudes toward wealth and materialism proper responses to cults the role of women in the church and even the validity of the institution of marriage are not new Paul addressed these issues in personal letters to Timothy and Titus as leaders of first century congregations in Ephesus and Crete What he had to say to them is as relevant to us as today's newspaper headlines In this clear pastorally oriented commentary readers will find helpful background material on authorship date and purpose as well as an overview of theological themes in the Pastoral Epistles The introductory material is followed by passage by passage explanation of the meaning these letters had for their first century hearers in order to pave the way for understanding their significance for readers today Students pastors Bible teachers and everyone who wants to understand the message of the Pastoral Epistles for the church will benefit from this excellent resource **The First and Second Letters to Timothy** Jerome D. Quinn, William C. Wacker, 2000 The inaugural volume of the ECC series provides a fresh readable translation of 1 and 2 Timothy together with notes and commentary on this highly relevant section of Scripture The Notes section of the commentary offers detailed philological analysis of the majority of the words used in these two Pastoral Epistles The Comment section guides readers through the complex theological historical and practical issues facing the heirs of Paul in the Christian church The issues treated in 1 and 2 Timothy have a remarkably modern ring to them Addressing such contemporary topics as the qualifications for church leadership the roles of women the use of wealth heterodoxy worship and ethics these Pauline letters remain highly relevant to church life today This new volume not only offers the best of current biblical scholarship on Paul's letters to Timothy but also demonstrates the high standard of excellence marking the ECC series Religious Books and Serials in Print 1978-1979 R.R. The Early Christians in Ephesus from Paul to Ignatius Paul Trebilco, 2007-10-17 The capital city of the province of Asia in the first century CE Ephesus played a key role in the development of early Christianity In this book Paul Trebilco examines the early Christians from Paul to Ignatius seen in the context of our knowledge of the city as a whole Drawing on Paul's letters and the Acts of the Apostles Trebilco looks at the foundations of the church both before and during the Pauline mission He shows that in the period from around 80 to 100 CE there were a number of different communities in Ephesus that regarded themselves as Christians the Pauline and Johannine groups Nicolaitans and others testifying to the diversity of that time and place Including further discussions on the Ephesus addresses of the apostle John and Ignatius this scholarly study of the early Ephesian Christians and their community is without peer Subject Index of Modern Books Acquired British Library, 1961 1 and 2 Timothy, Titus Abraham Kuruvilla MD, 2021-04-12 1 and 2 Timothy Titus A Theological Commentary

for Preachers engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of these epistles to craft effective sermons This commentary unpacks the crucial link between Scripture and application the theology of each preaching text pericope The three letters collectively the Pastoral Epistles are divided into eighteen pericopes and what the author is doing with what he is saying in each is explored The overall theological trajectory of the Pastoral Epistles concerns the promotion of God s economy by the community of God s people The specific theological thrust of individual preaching units is captured in this commentary making possible a sequential homiletical movement through each pericope of the three epistles While the primary goal of the commentary is to take the preacher from text to theology it also provides two sermon outlines for each of the eighteen preaching units of the Pastoral Epistles The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through 1 and 2 Timothy and Titus with an emphasis on application
