Ishikawa Yoshihiro

The Peoples Doctor George Hatem And Chinas Revolution:

The People's Doctor Edgar A. Porter, 1997-01-01 The young George Hatem journeyed to Shanghai in 1933 to practice medicine and see the sights The deplorable health and social conditions he found there caused his sympathies to veer quickly to the revolutionary efforts of the Chinese Communist party and before long he joined the underground Party members in conspiratorial meetings and activities In 1936 he left Shanghai on a secret Province after completing the Long March For the next 14 years Hatem served the Communist troops as physician and adviser He took the name Ma Haide and became the first foreigner admitted into China s Communist Party After the Communist victory in 1949 he became the first foreigner granted citizenship in the People s Republic Over the next 40 years his reputation grew as one of the leading public health physicians in the world Until his death in 1988 he showed absolute allegiance to the Party Few foreigners have been accepted into Chinese society as readily as he and certainly none have had such intimate access to 20th century China s most powerful figures

The Chile Pepper in China Brian R. Dott, 2020-05-12 Chinese cuisine without chile peppers seems unimaginable Entranced by the fiery taste diners worldwide have fallen for Chinese cooking In China chiles are everywhere from dried peppers hanging from eaves to Mao s boast that revolution would be impossible without chiles from the eighteenth century novel Dream of the Red Chamber to contemporary music videos Indeed they are so common that many Chinese assume they are native Yet there were no chiles anywhere in China prior to the 1570s when they were introduced from the Americas Brian R Dott explores how the nonnative chile went from obscurity to ubiquity in China influencing not just cuisine but also medicine language and cultural identity He details how its versatility became essential to a variety of regional cuisines and swayed both elite and popular medical and healing practices Dott tracks the cultural meaning of the chile across a wide swath of literary texts and artworks revealing how the spread of chiles fundamentally altered the meaning of the term spicy He emphasizes the intersection between food and gender tracing the chile as a symbol for both male virility and female passion Integrating food studies the history of medicine and Chinese cultural history The Chile Pepper in China sheds new light on the piquant cultural impact of a potent plant and raises broader questions regarding notions of authenticity in cuisine

Making the Foreign Serve China Anne-Marie Brady, 2003-09-08 This book provides the first detailed analysis of a crucial and distinctive element of Chinese foreign policy Anne Marie Brady follows the development of the Chinese Communist Party s foreign affairs system since 1921 focusing on waishi the external policies intended to influence and control both foreigners themselves as well as Chinese citizens contact with and perception of outsiders The term also comprises China s external relations both official state to state and so called unofficial or people to people diplomacy In effect waishi activities encompass all matters related to foreigners and foreign things not merely diplomacy By managing the foreign presence in China and China s contacts with the outside world and by controlling the Chinese population the author argues that waishi has proven to be one of the most effective tools in the CCP s repertoire for building and then sustaining its

hold on power Drawing for the first time on policy documents that underpin the phenomena they describe Brady analyzes trends and developments in waishi during each chronological period The book elucidates how the CCP s policies evolved In the 1930s the need for a broad united front in international relations warred with the desire to control the foreign presence in China in the 1940s and 1950s the Sino Soviet alliance and ridding China of the traces of the semi colonial past took precedence in the 1960s the Sino Soviet split led to China s claim as the center of world revolution and in the past twenty years of reform the focus has been the ongoing quest to create a modern nation state as China opens up to the outside world The author considers waishi s deeper meaning as an overriding approach to the foreign which links state to state diplomacy with the management of the foreign presence in China Her groundbreaking research is based on a previously unexplored genre of waishi materials almost all classified in Chinese extensive interviews with waishi officials and foreign participant

How the "Red Star" Rose Ishikawa Yoshihiro, 2022-01-30 The fact that Snow did not sneak into red China to gather information constituting the basis of his Red Star over China all alone is in many instances misunderstood even by scholars Mao Zedong s biography has been the subject of an international mountain of commentary in China and elsewhere Biographies praising Mao and those slandering him are all based on the American journalist Edgar Snow s 1905 1972 account in Red Star over China for the route Mao traveled from early childhood through his youth How the Red Star Rose introduces the image of Mao and the biographical information made known to the world through the publication of Red Star and with its publication the circumstances which they fundamentally undermined Ishikawa Yoshihiro uses Mao Zedong as raw material to examine from whence and how ordinary historical information and images which we habitually use unconsciously come into being He desires to help readers to reconsider the historicity of the generation of not only Mao s image but of that of historical materials With a title that evokes Gao Hua s seminal study of Mao Zedong s rise in the Chinese Communist Party Ishikawa Yoshihiro asks two critical questions What did the world know of Mao before the publication of Edgar Snow s Red Star over China How did Red Star change that understanding With the meticulous research careful documentation and fair minded judgment that characterizes all of Ishikawa s work he shows how little even Moscow and the Communist International knew about Mao before 1936 This study is full of unexpected insights into the origins of early visual images of Mao the background to Snow s historic trip to northern Shaanxi and the evolution of the classic study that he left In a world where balanced judgment of the rise of Mao is increasingly difficult to find Ishikawa s scholarship stands out as a rare model of judicious balance Joseph W Esherick Emeritus Professor Hwei chih and Julia Hsiu Chair in Chinese Studies University of California San Diego This book is first an exquisite excavation on the enabling infrastructures in the writing and publishing of one of the most iconic works in journalistic interviews in the 20th century a text that broke through a wall of intelligence blockade to give to the world in an autobiographical voice and with a striking image the debut of the revolutionary Mao while holed up in a mountain base area It is in addition a history of the reading of the book in multiple

languages including Chinese that is indexed to the rise of the Mao cult thereafter Ishikawa captures a moment of a past gearing up in anticipation of a future that never came This book is a must read for all with an interest in Mao journalism and the history of books Wen hsin Yeh Richard H and Laurie C Morrison Chair Professor in History University of California Berkeley Ishikawa offers a challenging reflection on how historical information and images that we take for granted come into being through the twin case studies of images of Mao Zedong before Edgar Snow s famous biography in 1936 and then how Snow s images of Mao were translated and transmuted into Chinese Russian and Japanese Joshua Fogel s careful translation brings this impeccable example of Japanese sinology to the English reading public Timothy Cheek Professor and Louis Cha Chair in Chinese Research University of British Columbia Alternative Representations of the Past Ying-Kit Chan, Fei Chen, 2020-11-23 The relationship between the Chinese nation and its recent past has been fraught with contradictions and tensions This collection aims to make sense of this complex relationship and challenge the prevalent state centric and nation centric modes of history writing on modern China It explores alternative representations of the past and the salience of political conflicts and competitive histories in China highlighting the paradoxical similarities in such representations of the past from the late nineteenth century to the present Ultimately this book contributes to the ongoing discussion on the politics of interpreting the past and its many manifestations in both China and other societies This volume will contribute to the scholarly debate on the use of the past in national history Tze ki Hon City University of Hong Kong Alternative Representations of the Past presents a collection of essays that critically examine the ways in which the contradicting and contested enterprise of history has been politicized in China As memory is past made present the meticulous re evaluation of Chinese history by the contributors of this volume promises to offer readers valuable insights into contemporary China Chang Yau Hoon Associate Professor and Director Centre for Advanced Research Universiti Brunei Darussalam **The Raider** Stephen R. Platt, 2025-05-13 The extraordinary life of forgotten World War II hero Evans Carlson commander of America s first special forces secret confidant of FDR and one of the most controversial officers in the history of the Marine Corps who dedicated his life to bridging the cultural divide between the United States and China He was a gutsy old man A corker said another You couldn t find anyone better They talked about him in hushed tones This Major Carlson wrote one of the officers in a letter home is one of the finest men I have ever known These were the words of the young Marines training to be among the first U S troops to enter the Second World War and the Major Carlson they spoke of was Evans Carlson a man of mythical status even before the war that would make him a military legend By December of 1941 at the age of forty five Carlson had already faced off against Sandinistas in the jungles of Nicaragua and served multiple tours in China where he embedded with Mao s Communist forces during the Sino Japanese War Inspired by their guerilla tactics and their collaborative spirit which he d call gung ho introducing the term to the English language and driven by his own Emersonian ideals of self reliance Carlson would go on to form his renowned Marine Raiders the progenitors of today s

special operations forces who fought behind Japanese lines on Makin Island and Guadalcanal showing Americans a new way to do battle In The Raider Cundill Prize winning historian Stephen R Platt gives us the first authoritative account of Carlson s larger than life exploits the real story based on years of research including newly discovered diaries and correspondence in English and Chinese with deep insight into the conflicted idealism about the Chinese Communists that would prove Carlson s undoing in the McCarthy era Tracing the rise and fall of an unlikely American war hero The Raider is a story of exploration of cultural mis understanding and of one man s awakening to the sheer breadth of the world *Foreigners under Mao*

Beverley Hooper,2016-07-01 The book examines the lives of six different groups of Westerners foreign comrades who made their home in Mao s China twenty two former Korean War POWs who controversially chose China ahead of repatriation diplomats of Western countries that recognized the People s Republic the few foreign correspondents permitted to work in China foreign experts and language students Each of these groups led distinct lives under Mao while sharing the experience of a highly politicized society and of official measures to isolate them from everyday China This book is enjoyable and engaging The author introduces a small but dynamic collection of enthusiastic international participants in post 1949 China showing unquestioned loyalty to Mao s ideals Equally intriguing are the alternate stories of diplomats and reporters existing far outside the mainstream of Chinese life and trusted by neither the Chinese nor the international supporters Edgar A Porter Professor Emeritus Ritsumeikan Asia Pacific University author of The People s Doctor George Hatem and China s Revolution A well written survey about the variety of Westerners who lived and worked in the People s Republic of China between 1949 and 1976 This is a welcome addition to the sojourner literature about foreigners who lived in twentieth century socialist countries The scholarship which includes the review of memoirs archival materials and secondary works is impressive and comprehensive Stephen R MacKinnon Arizona State University co author of China Reporting An Oral History of American Journalism in the 1930s and 1940s China in Oceania Terence Wesley-Smith,Edgar A. Porter,2010-03-01 It is important to see China s activities in the Pacific Islands not just in terms of a specific set of interests but in the context of Beijing s recent efforts to develop a comprehensive and global foreign policy China s policy towards Oceania is part of a much larger outreach to the developing world a major work in progress that involves similar initiatives in Asia Africa Latin America and the Middle East This groundbreaking study of China s soft power initiatives in these countries offers for the first time the diverse perspectives of scholars and diplomats from Oceania North America China and Japan It explores such issues as regional competition for diplomatic and economic ties between Taiwan and China the role of overseas Chinese in developing these relationships and various analyses of the benefits and drawbacks of China s growing presence in Oceania In addition the reader obtains a rare review of the Japanese response to China s role in Oceania presented by Japan s leading scholar of the Pacific region Saving Lives in Wartime China John R. Watt,2013-10-10 In the 1920s and 1930s most Chinese people suffered from overwhelming health problems Epidemic diseases killed tens of millions drought flood and famine killed many

more and unhygienic birthing led to serious maternal and child mortality The Civil War between Nationalist and Communist forces and the nationwide War of Resistance against Japan 1937 1945 imposed a further tide of misery Troubled by this extensive trauma a small number of healthcare reformers were able to save tens of thousands of lives promote hygiene and sanitation and begin to bring battlefield casualties communicable diseases and maternal child mortality under control This study shows how biomedical physicians and public health practitioners were major contributors to the rise of modern China

Mao: A Biography Ross Terrill, 1999 Everyone who came in close contact with Mao was taken aback at the anarchy of his personal ways He ate idiosyncratically He became increasingly sexually promiscuous as he aged He would stay up much of the night sleep during much of the day and at times he would postpone sleep remaining awake for thirty six hours or more until tension and exhaustion overcame him Yet many people who met Mao came away deeply impressed by his intellectual reach originality style of power within simplicity kindness toward low level staff members and the aura of respect that surrounded him at the top of Chinese politics It would seem difficult to reconcile these two disparate views of Mao But in a fundamental sense there was no brick wall between Mao the person and Mao the leader This biography attempts to provide a comprehensive account of this powerful and polarizing historical figure

If you ally need such a referred **The Peoples Doctor George Hatem And Chinas Revolution** books that will offer you worth, acquire the very best seller from us currently from several preferred authors. If you want to funny books, lots of novels, tale, jokes, and more fictions collections are with launched, from best seller to one of the most current released.

The Peoples Doctor George Hatem And Chinas Revolution Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Peoples Doctor George Hatem And Chinas Revolution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Peoples Doctor George Hatem And Chinas Revolution has opened up a world of possibilities. Downloading The Peoples Doctor George Hatem And Chinas Revolution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Peoples Doctor George Hatem And Chinas Revolution has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Peoples Doctor George Hatem And Chinas Revolution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Peoples Doctor George Hatem And Chinas Revolution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Peoples Doctor George Hatem And Chinas Revolution, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download The Peoples Doctor George Hatem And Chinas Revolution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Peoples Doctor George Hatem And Chinas Revolution Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Peoples Doctor George Hatem And Chinas Revolution is one of the best book in our library for free trial. We provide copy of The Peoples Doctor George Hatem And Chinas Revolution in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Peoples Doctor George Hatem And Chinas Revolution. Where to download The Peoples Doctor George Hatem And Chinas Revolution online for free? Are you looking for The Peoples Doctor George Hatem And Chinas Revolution PDF? This is definitely going to save you time and cash in something you should think about.
