The Leaf Path:

The Leaf Path Emily Warn,1982 Emily Warn is a poet of kinship and harmony And she often uses narrative to establish surprising relationships Warn s poems define a sensibility that is fully in focus one that expresses a reverence for humanity and nature as two participants in a greater whole Eschewing unnecessary artifice and the latest literary fads she writes poems it seems only from necessity from great faith in a possible world In selecting The Leaf Path for the 1981 King County Arts Commission Publication Project Susan Griffin wrote Emily Warn s poetry is feeling moving dealing with the powerful and deepest part of being yet delicately even precisely crafted This is a new voice we will all be blessed for hearing
