The League Of Nations

Morris Sheppard

The League Of Nations:

The League of Nations F. S. Northedge, 1986 **The League of Nations** J.C. Smuts, 1919 *A History of the League of Nations* Francis Paul Walters, 1965 **The Origin, Structure & Working of the League of Nations** Charles Howard Ellis, 2003 Howard Ellis C The Origin Structure Working of the League of Nations Boston Houghton Mifflin Company 1929 528 pp Reprinted 2003 by The Lawbook Exchange Ltd LCCN 2002041362 ISBN 1 58477 320 0 Cloth 95 Surveys the League's components and the role of its chief associated bodies the International Court of Justice and the International Labor Organization Other sections consider its approach to open and secret diplomacy the ratification of conventions and the function of related technical organizations The author though enthusiastic about the League appreciates the weaknesses in its charter and organization He argues that these flaws are not inherent but are a consequence of the League's reliance on prior international law which is plagued by weakness and ambiguity ... *The League of Nations*, 1919 **The League of Nations** Frederick Pollock, 2003 An important contemporary legal study of the League of Nations *The League of Nations Experience* Aurora Almada e Santos, Yvette Santos, 2024-12-16 As an early experiment in the creation of multilateral institutions the League of Nations was entrusted by its members to maintain peace but also to be a standard maker and a manager of contemporary problems and challenges requiring a global response Nevertheless after a while it became clear that its performance in addressing major conflicts did not live up to the expectations of guaranteeing collective security In the functional areas although the organization created precedents it also showed limitations Due to its complexity increasingly the League of Nations has been studied not only from an institutional perspective but also from a more multidimensional and comparative point of view that allows to consider the presence and role of the organization in various scales and spaces besides its relationship with a diversity of actors and themes *The League of Nations Experience* Overlapping Readings offers a multitude of interpretations evincing some of the promising avenues through which the League of Nations continues to inspire academic research *The League of Nations* M. Cottrell, 2017-09-11 The League of Nations occupies a fascinating yet paradoxical place in human history Over time it's come to symbolize both a path to peace and to war a promising vision of world order and a utopian illusion an artifact of a bygone era and a beacon for one that may still come As the first experiment in world organization the League played a pivotal but often overlooked role in the creation of the United Nations and the modern architecture of global governance In contrast to conventional accounts which chronicle the institution's successes and failures during the interwar period Cottrell explores the enduring relevance of the League of Nations for the present and future of global politics He asks What are the legacies of the League experiment How do they inform current debates on the health of global order and US leadership Is there a dark side to these legacies Cottrell demonstrates how the League of Nations still continues to shape modern international relations for better and for worse Written in a manner accessible to students of international history international relations and global politics it will also be of interest to graduates and scholars

Dismantling the League of Nations Jane Mumby, 2023-11-30 The League of Nations one of the world's first multi function intergovernmental organisations was also one of the first to undergo liquidation This book unveils the last chapter in its story showing how complex and time consuming the end of this great experiment truly was Starting with the signing of the Charter of the United Nations in 1945 the death knell of the League Mumby traces the closure process that followed From the final meeting of the Assembly in April 1946 the transfer of assets and functions to the UN the liquidation of the Secretariat and the last acts of business through 1948 this book follows the story through the eyes of those who made it happen It demonstrates why this process took longer than expected highlights the importance of human agency in even the most bureaucratic of institutions and points to the lingering impact of the League on international organisations today Uncovering both the institutional and personal aspects of the League of Nations final chapter this book furthers our understanding of this famous institution shedding light on those that continue to dominate contemporary international relations and exposing the unavoidable complexity of dismantling an intergovernmental organisation

The League of Nations Karen Gram-Skjoldager, Haakon A. Ikonomou, 2019-07-28 The League of Nations Perspectives from the Present is an accessible and richly illustrated edited volume displaying a wide variety of cutting edge research on the many ways the League of Nations shaped its times and continues to shape our contemporary world A series of bite size studies divided into three thematic parts investigates how the League affected the world around it and the lives of the people who became part of this first great experiment in international organisation Recent research has reinterpreted the League as a laboratory of global economic political and humanitarian governance Expanding on this the volume aims to show that the League is an academic site where international history as a discipline has re-invented itself by integrating new approaches from social cultural and media history With an introduction by Director General Michael Moller of the United Nations Organisation in Geneva this work is a timely reminder of the fragile varied and enduring history of multilateralism on the centenary of the signing of the Treaty of Versailles

The League of Nations Covenant Samuel McCune Lindsay, 1919 The League of Nations George William Norris, 1922 **Britain and the Intellectual Origins of the League of Nations, 1914-1919** Sakiko Kaiga, 2021-04-22 An innovative study of the pre history of the League of Nations tracing the pro League movement's unexpected development

Japan and the League of Nations Thomas W. Burkman, 2007-12-03 Japan joined the League of Nations in 1920 as a charter member and one of four permanent members of the League Council Until conflict arose between Japan and the organization over the 1931 Manchurian Incident the League was a centerpiece of Japan's policy to maintain accommodation with the Western powers The picture of Japan as a positive contributor to international comity however is not the conventional view of the country in the early and mid twentieth century Rather this period is usually depicted in Japan and abroad as a history of incremental imperialism and intensifying militarism culminating in war in China and the Pacific Even the empire's interface with the League of Nations is typically addressed only at nodes of confrontation the 1919 debates over

racial equality as the Covenant was drafted and the 1931 1933 League challenge to Japan's seizure of northeast China. This volume fills in the space before, between, and after these nodes and gives the League relationship the legitimate place it deserves in Japanese international history of the 1920s and 1930s. It also argues that the Japanese cooperative international stance in the decades since the Pacific War bears noteworthy continuity with the mainstream international accommodationism of the League years. Thomas Burkman sheds new light on the meaning and content of internationalism in an era typically seen as a showcase for diplomatic autonomy and isolation. Well into the 1930s, the vestiges of international accommodationism among diplomats and intellectuals are clearly evident. The League project ushered those it affected into world citizenship and inspired them to build bridges across boundaries and cultures. Burkman's cogent analysis of Japan's international role is enhanced and enlivened by his descriptions of the personalities and initiatives of Makino Nobuaki, Ishii Kikujirō, Nitobe Inazō, Matsuoka Yōsuke, and others in their Geneva roles.

Historical Dictionary of the League of Nations Anique H.M. van Ginneken, 2006-01-16. Created in 1919 shortly after World War I, the League of Nations was principally designed to put an end to war. But it went into hibernation when World War II broke out and was formally wound up in 1946. Not having achieved its primary objective, it was deemed a failure. However, the many accomplishments it did realize certainly allows for arguments against this idea. During its two-decade existence, the League of Nations resolved and defused many conflicts and crises as well as established a rapport among its members. It was also active in many other political, social, and technical fields, including minorities, refugees, human rights, labor, health, telecommunications, and supervision of former colonial territories which had become mandates. Above all, the League of Nations proved to be training ground for the United Nations and the countless other organizations, both governmental and non-governmental, which now surround us. Just what the League of Nations was able to do during its brief but hectic career is summed up in this book. The dictionary section contains several hundred cross-referenced entries on its founders and supporters, its rather small staff and secretariat, the various subordinate or related organizations, and their overwhelming tasks. The historical background is described in the introduction and plotted year by year in the chronology, while the bibliography points to further reading.

Transnational Education between The League of Nations and China Kaiyi Li, 2021-10-14. This volume examines transnational educational transfer between China and the League of Nations during the interwar period. By analysing the educational activities of the League of Nations with China, the book enriches the study of the history of the League of Nations by turning the focus to affairs that exceed the scope of traditional international relations and focusing on ways in which international organizations engaged in international educational endeavors. Adopting a transnational perspective, the book moves beyond conventional national-centered historiography, thus contributing to the understanding of how educational ideas, media, and policies circulate between different nations.

Racial Equality and the League of Nations James A. Reed, 1919

The League of Nations and the Protection of the Environment Omer Aloni, 2021-05-13. This first study of the environmental

challenges handled by the League of Nations pioneers new perspectives on legal and environmental history **The League of Nations and the Organization of Peace** Martyn Housden, 2014-07-22 The League of Nations pre cursor to the United Nations was founded in 1919 as a response to the First World War to ensure collective security and prevent the outbreak of future wars It was set up to facilitate diplomacy in the face of future international conflict but also to work towards eradicating the very causes of war by promoting social and economic justice The philosophy behind much of the League s fascinating and varied roles was to help create satisfied populations who would reject future threats to the peace of their world In this new volume for Seminar Studies Martyn Housden sets out to balance the League s work in settling disputes international security and disarmament with an analysis of its achievements in social and economic fields He explores the individual contributions of founding members of the League such as Fridtjof Nansen Ludwik Rajchman Rachel Crowdy Robert Cecil and Jan Smuts whose humanitarian work laid the foundations for the later successes of the United Nations in such areas as the welfare of vulnerable people especially prisoners of war and refugees dealing with epidemic diseases and promoting good health anti drugs campaigns Supported by previously unpublished documents and photographs this book illustrates how an understanding of the League of Nations its achievements and its ultimate failure to stop the Second World War is central to our understanding of diplomacy and international relations in the Inter War period **The Work of the League of Nations** Morris Sheppard, 1921

Right here, we have countless book **The League Of Nations** and collections to check out. We additionally come up with the money for variant types and then type of the books to browse. While this might not be the The League Of Nations full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The League Of Nations eBooks, including some popular titles.

FAQs About The League Of Nations Books

What is a The League Of Nations PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The League Of Nations PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The League Of Nations PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The League Of Nations PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The League Of Nations PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
