Economic Thought Since Keynes Michel Beaud,Gilles Dostaler,2005-09-27 Economic Thought Since Keynes provides a concise overview of changing economic thought in the latter part of the twentieth century Offering a concise biography of 150 influential economists since Keynes it is an invaluable reference tool *Media, Process, and the Social Construction of*

Crime Gregg Barak,2013-10-28 First published in 1995 One of the most pervasive forms of social control in our society is the mass media The public learns from television newspapers magazines movies and books what is happening in the world and how to interpret it The problem however is that full or complete interpretations of reality are not presented In short reality itself clear and unadorned is not to be found in the information provided by the media Instead media presentations consist of those various viewpoints that succeed in capturing the minds and imaginations of the masses or in terms of the 1992 presidential campaign that successfully put the winning spin on information Barak and others believe that criminologists should participate in the various media presentations of crime and justice By bringing their knowledge to bear on media presentations criminologists can help make some news more representative and less distorted of the social reality of crime

Youth, Identity, Power Carlos Muñoz,1989 Youth Identity Power is a study of the origins and development of Chicano radicalism in America Written by a leader of the Chicano Student Movement of the 1960s who also played a role in the creation of the wider Chicano Power Movement this is the first full length work to appear on the subject It fills an important gap in the history of political protest in the United States The author places the Chicano movement in the wider context of the political development of Mexicans and their descendants in the US tracing the emergence of Chicano student activists in the 1930s and their initial challenge to the dominant racial and class ideologies of the time Munoz then documents the rise and fall of the Chicano Power Movement situating the student protests of the sixties within the changing political scene of the time and assessing the movement s contribution to the cultural development of the Chicano population as a whole He concludes with an account of Chicano politics in the 1980s Youth Identity Power was named an Outstanding Book on Human Rights in the United States by the Gustavus Myers Center in 1990 **Whither Marxism?** Bernd Magnus,Stephen

Cullenberg,2013-10-28 This is the companion volume to Spectres of Marx and tackles the central theme of the fate of Marxism after the global collapse of communism **A History of Marxian Economics, Volume II** Michael Charles

Howard,John Edward King,2014-07-14 This second volume completes a critical history of the social political and theoretical forces behind Marxian economics the only work in English to offer such comprehensive treatment Beginning with Marxian analyses of the Great Depression and Stalinism it explores the theories developed to explain the long boom in Western

capitalism after the Second World War Later chapters deal with post Leninist theories of imperialism and continuing controversies in value theory and the theory of exploitation After outlining recent work on the second slump the integration of rational choice theory into Marxism and the political economy of socialism the book concludes with a review and evaluation of Marxian theory over the whole period since Marx's death Praise for the first volume Howard and King have done an excellent job One comes away with the impression of Marxian economics being a vibrant subject relevant to the problems of these times and useful in practical matters Meghnad Desai *The Times Higher Education Supplement* Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Teachers and Texts Michael W. Apple, 2021-12-16 First published in 1987 this research provides insight on the political economy of schooling and includes an analysis of power as they operate both within and outside of schools in the construction of class and gender relations This is part of a series of volumes that have begun to enquire into the relationship between the curriculum and teaching that is found in our formal institutions of education and unequal power in society

Geographic Thought George L. Henderson, Marvin Waterstone, 2009 This unabridged reader offers a fresh approach to learning about Geographic Thought by showing through concrete examples and detailed editorial essays how the discipline has been forever altered by the rise of progressive social struggles of the last 30 years

The New Art History Jonathan Harris, 2002-09-11 The New Art History provides a comprehensive introduction to the fundamental changes which have occurred in both the institutions and practice of art history over the last thirty years Jonathan Harris examines and accounts for the new approaches to the study of art which have been grouped loosely under the term the new art history He distinguishes between these and earlier forms of radical or critical analysis explores the influence of other disciplines and traditions on art history and relates art historical ideas and values to social change Structured around an examination of key texts by major contemporary critics including Tim Clarke Griselda Pollock Fred Orton Albert Boime Alan Wallach and Laura Mulvey each chapter discusses a key moment in the discipline of art history tracing the development and interaction of Marxist feminist and psychoanalytic critical theories Individual chapters include Capitalist Modernity the Nation State and Visual Representation Feminism Art and Art History Subjects Identities and Visual Ideology Structures and Meanings in Art and Society The Representation of Sexuality

New Models in Geography - Vol 2 Richard Peet, Nigel Thrift, 2023-05-09 Two decades after the publication of the seminal *Models in Geography* edited by Richard Chorley Peter Haggett this major collection of specially commissioned essays charts the new human geography from the perspective of political economy Providing surveys of recent trends in theory bibliographic guides to the literature and

pointers to advances and frontiers in thinking the book ranges from cultural to economic and urban geography The authors explore the connections between political economy and geographical thought in each area with the emphasis lying on the processes of material production and social reproduction *Fredric Jameson* Sean Homer,2018-12-07 Fredric Jameson has been described as probably the most important cultural critic writing in English today and he is widely acknowledged as the foremost proponent for the tradition of critical theory known as Western Marxism Yet his work has not been given the systematic review like other contemporary thinkers like Foucault and Derrida Fredric Jameson Marxism Hermeneutics Postmodernism is a thoroughly up to date detailed review and analysis of the work of this influential intellectual Covering Jameson s work and thought from his early projects of form and history to his more recent engagements with postmodernism and cultural politics this synthesis offers a balanced assessment of his ideas their development and their continuing influence

American Media and Mass Culture Donald Lazere,1987 On subjects from Superman to rock n roll from Donald Duck to the TV news from soap operas and romance novels to the use of double speak in advertising these lively essays offer students of contemporary media a comprehensive counterstatement to the conservatism that has been ascendant since the seventies in American politics and cultural criticism Donald Lazere brings together selections from nearly forty of the most prominent marxist feminist and other leftist critics of American mass culture from a dozen academic disciplines and fields of media activism The collection will appeal to a wide range of students scholars and general readers Book Jacket *Rebellion in the University* Seymour Martin Lipset, Political activity and student unrest have been recurring phenomena in American universities even after they reached their apogee in the 1960s In *Rebellion in the University* Seymour Martin Lipset reviews that turbulent period and places it in a larger historical perspective He analyzes the source of student activism the roles played by the faculty the spectrum of campus political opinion and the history of American campus protest Two decades after this book was first written the academic community is once more sharply divided over issues of political correctness The term refers to the efforts by campus advocates of leftist politics to control the content of speech courses and appointments and to impose their views with respect to multiculturalism minority rights and feminism Lipset s new introduction is a major effort to account for this new wave of repressive moralism to explain the issues involved to locate sources of support and opposition and to voice a judgment about the current situation in the American academic community Reinventing Marxism Howard J. Sherman,1995-12-02 A re evaluation of Marxism as an alternative to pro capitalist perspectives
