## **The Legend Of Mulan:**

**The Legend of Mulan** ,2025-04-22 In ancient China Mulan disguises herself as a man to take her aging father's place in the Emperor's army. She trains alongside soldiers excelling in combat and earning respect especially from General Zhang. Her bravery and intelligence lead to multiple victories against the invading Tartars. After Zhang's death, Mulan is named general and devises a clever strategy to defeat the enemy's main force. Despite fears of being discovered as a woman, Mulan is honored by the Emperor and granted her wish to return home. Her courage, loyalty, and leadership bring lasting honor to her family and country.

**Mulan** ,2010-09-14 The legend of Mulan, the daughter who disguises herself as a man, dons her father's armor and heads off to war in his place, remains one of the most popular Chinese folktales despite, or because of, its lack of supernatural demonstrations or interventions. This volume offers lively translations of the earliest recorded version of the legend and several later iterations of the tale, including the screenplay of the hugely successful 1939 Chinese film *Mulan Joins the Army*, illustrating the many ways that reinterpretations of this basic story reflect centuries of changes in Chinese cultural, political, and sexual attitudes. An Introduction traces the evolution of the Mulan legend and its significance in the history of Chinese popular culture. Annotation explaining terms and references unfamiliar to Western readers, a glossary, and a comprehensive bibliography further enhance the value of this volume for both scholars and students.

*The Legend of Mulan* Donald Kasen,2021-07 The classic story of Mulan was first told in China many generations ago in a poem titled *Mulan Chi*. While the story itself is ancient, the courage and bravery of the young woman at the center of it is timeless. Because her father was too old to fight, young Mulan goes in his place and establishes herself as a brave and resourceful warrior.

Mulan Jian Li (Art teacher),2021 Mulan is a folk story from China's Northern Dynasty 439-589 about the unusual tale of an ordinary girl named Fa Mulan. This book is illustrated based on the original ballad which depicts her bravery through Chinese ink paintings. A long time ago in China there lived a young girl named Mulan. Her father was a retired general who taught her many skills; girls weren't normally allowed to learn like martial arts, archery, sword play, and how to ride a horse. One day soldiers came to Mulan's village. They told everyone China was in danger and that a man from each family must join the army and fight. Mulan was terribly upset. Her father was too old but was honor bound to fight. If only she had been born a boy. That night Mulan came up with a plan to save the honor of her family and her father's life. Early the next morning, disguised as a boy, Mulan took a horse and her father's armor before leaving to join the army. No one recognized her, and Mulan was very careful to never let anyone know she was really a girl. Mulan's bravery, courage, and the skills she learned from her father helped her to succeed. Over twelve years, Mulan fought against the threat to China, before finally helping to win the war. When she was offered a reward from the emperor for her incredible courage, Mulan instead asked for a horse so she could return home to her family. Mulan's family was so happy to see her. And there, for the first time in twelve years, Mulan exchanged her armor for a dress, fixed her hair into an elegant girl's hairstyle, and joined her family, a beautiful young

Mulan - A film review Stephanie Wössner,2009-11-13 Literature Review from the year 2003 in the subject Communications Movies and Television grade A San Francisco State University Ethnic Studies course AAS 693 Asian Americans and the Mass Media language English abstract Whenever a new Disney film is released millions of people children as well as adults rush to the movie theatre to see it Disney films are much liked by old and young people alike Very frequently they use already commonly known plots and give them a new shape Their repertoire covers many fairy tales and legends One of these legends to be found in the Disney film collection is the story of Mulan the story of a Chinese girl who disguised as a man takes her father s place in the Chinese army and helps defend China against the Huns She does this to preserve the honor of the family This old Chinese legend has as is true for most of the Disney productions been changed and made suitable for the white American market of family entertainment The China portrayed in the original version of the legend of Mulan or rather the children s book that was available to me in our course reader is a pretty accurate description of what ancient China must have been like However for the audience this children s book is probably aimed at i e an audience with a Chinese background Chinese culture is nothing extraordinary so the culture is not highlighted in any way In this book Mulan has been trained in martial arts by her father from very early in her childhood Moreover she has a brother whose name she takes on when taking her father s place in the war against the intruders In other words Mulan has been given her martial arts skills as well as a name from a man she has not acquired or created them herself When she leaves she leaves her home with the permission of her parents Due to her knowledge of martial arts and her intelligence she is soon admired by all of the soldiers and becomes a commanding general during a war of more than ten years There is no one there to either protect her or assist her with advices In the end this very strategically oriented general uses the superstition of her enemies which are not the Huns but simply enemies from the north against them and defeats them She wins without failing first and it

is only in the end that everyone finds out that she is actually a woman and no one feels offended about it The possible message of this legend may be the importance of honor in ancient China which has to be defended against the enemy no matter who this enemy may be      Gods, Heroes, Myths, and Legends: Activities for Elementary and Middle School Literature John Marshall Carter, 2009-09-30 The book includes activities for enhancing the teaching of upper elementary and middle school literature      **The Columbia Anthology of Chinese Folk and Popular Literature** Victor H.
