*Leon Valley*, 2011 Surrounded by the city of San Antonio and bisected by Texas State Highway 16 Leon Valley is known as the City of the Lions In the early 1800s European and Mexican immigrants homesteaded and raised their families here Joseph Huebner an Austrian immigrant built a limestone house that became a stagecoach stop providing a change of stock and overnight accommodations for weary travelers Stories about strange noises and hauntings told by former homestead residents were thought to be related to the circumstances of his death In the mid 1930s a building boom attracted many to the quiet countryside By the 1940s dairy farming was the main occupation From its beginnings Leon Valley residents have chosen to preserve and celebrate its history and concern for the well being of its citizens has remained a priority This small community offers the advantages of a big city but retains its small town atmosphere *LEON VALLEY* Friends of the Leon Valley Public Librar, Leon Valley Historical Society, 2011-12 **The Leon Valley Collection, Volume 1** Rose
