Housman to Witter Bynner Alfred Edward Housman, Witter Bynner, 1958 **A.E. Housman** Christopher Stray, 2013-11-01 A E Housman 1859 1936 was a man of many apparent contradictions most of which remain unresolved 150 years after his birth At once a deeply emotive lyric poet and a precise and dedicated classical scholar he achieved fame in both of these diverse disciplines Although his poetic legacy has received much scholarly analysis and yet more attention has been devoted to reconstructing his private life no previous work has focused on Housman the classical scholar yet it is upon scholarship that Housman most wished to leave his mark This timely collection of papers by leading scholars reassesses the breadth and significance of Housman's contribution to classical scholarship in both his published and unpublished writings and discusses how his mantle has been passed on to later generations of classicists A Study Guide for A.E.
