The Letters Of Pilate:

The Letters of Pilate Nicodemus, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Gesta Pilati ,1880 *Letters of Herod and Pilate* Billy R. Fincher, 2016-04-02 CONNECTING ROMAN HISTORY WITH THE DEATH OF CHRIST AT JERUSALEM These letters occur in a Syriac manuscript of the sixth or seventh century in the British Museum Dr Tischendorf states in his *Apocalypses Apocryph Prolegg* p 56 that he has a copy of the same in Greek from a Paris manuscript of which he says scripture satis differt non item argumentum The letters are followed by a few extracts which seem to have been added by some copyist although they are followed by the subscription to Pilate s letter We suppose that by Justinus we are to understand Justus of Tiberias of whom Josephus speaks as a historian of his time We cannot venture an opinion favorable to the genuineness of this extract because Photius says Justus did not mention Christ By Theodorus we understand the Emperor Tiberius The question and answer agree in sense with what is read in the Anaphora or response of Pilate **Letters of Pontius Pilate** William Percival Crozier, 1928 **Gesta Pilati : the reports, letters and acts of Pontius Pilate : being the official records of Pilate as made to Tiberius Caesar, emperor of Rome, concerning the apprehension, trial and crucifixion of Jesus of Nazareth : with introduction and notes** William Overton Clough, 1887 The Letter of Pontius Pilate, which He Wrote to the Roman Emperor, Concerning ... Relics of Repentance, 1996 **The Awakening of Global Consciousness** Jawara D. King, D.D., 2010-07-26 One of the world's leading spiritual teachers returns with an inspiring and provocative message with solutions to our planetary crises offering effective steps to change the world and integrate all levels of our Being Religion is psychological entrapment promoting the controlled behavior of the herd civilization Institutionalized organized religion is the cause of enslavement violence prejudice hatred classism and war False religious institutions created god in their own personal image and after the likeness of their own mind for control and money Every religious holy book has been altered dissected rewritten and censored to appear as the word of God and all the gods of religious holy books are controlled by fundamentalists Organized religion is a serious threat to the human race and a mental illness that afflicts over 80% of the world's population It has nothing to do with spirituality and is no more than a collection of unholy lies The spiritual terrorism

of religion frowns upon free will dispises questions prohibits doubt and survives on blind faith Eternal life with God is only promised to the obedient religious slaves who unconditionally follow rigid religious belief structures This mythology was created based on division not unity Control is the essence of evil The easiest way to control humanity is through fear which is why the religious Elite created gods of intimidation and fear to control others and solicit money The Awakening of Global Consciousness is a must read for the millions who ve read Jawara s earlier classic books and a great beginning for those unfamiliar with his great works questioning the validity of the world s three major religions *Letters of Pontious Pilate*
Daniel F. Owsley, 2012-03-19 In this masterpiece of history the official document where Pontius Pilate reported Christ s death to Emperor Tiberius went on to explain that it was recorded by the Roman historian Valleys Paterculus and was finally discovered in the early 1850 s in Rome s Vatican library 3 It was located by a researcher named H C Whydaman that spent five years going through countless volumes before he finally found that rare letter Nor could any scholar ever deny that those priceless papers weren t worth thousands of times its weight in purist gold 4 Thusly the following are true excerpts from that document of history Pilate wrote this about Jesus 5 His golden colored hair and beard gave to His appearance a celestial aspect He appeared to be about thirty years of age Never have I seen a sweeter or more serene countenance This man was neither seditious nor rebellious Never have I read in the works of the philosophers anything that can compare to the maxims of Jesus 6 However complaints were made daily at the praetorium against the insolence of Jesus Therefore I was informed that some misfortune would befall Him That it would not be the first time that Jerusalem had stoned those who called themselves prophets 7 When the Nazarene made His appearance I trembled in every limb as does a guilty culprit though the Nazarene was as calm as innocence itself 8 For some time I contemplated with admiration and awe this extraordinary type of man 9 Then after Pilate regretfully explained the complaints being laid at the feet of our Author of Salvation he spoke with great emotion to our All In All stressing 10 Your blood shall not be spilt You are more precious in my estimation on account of Your wisdom than all the of the proud Pharisees who abuse the freedom granted them by the Romans I will protect You against them My praetorium shall be an asylum sacred both day and night CHAPTER 2 CHRIST s REACTION 1 Then Pilate described the response of our Sovereign One saying Jesus carelessly shook His head and said with a grave and divine smile When the day shall have come there will be no asylums for the Son of Man neither in the earth nor under the earth The asylum of the just is there pointing to the heavens That which is written in the books of the prophets must be accomplished 2 The Lord also calmly explained Himself further saying Prince of the earth your words proceed not from true wisdom Say to the torrent to stop in the midst of the mountain gorge it will uproot the trees of the valley The torrent will answer you that it obeys the laws of nature and the creator But God alone knows where the water flow of that torrent will go Verily I say unto you before the rose of Sharon finally blossoms the blood of the Just shall be spilled 3 Christ additionally added I come not to bring war into the world but peace love and charity For I was born the same day on which Agustus gave peace to the Roman

world 4 Persecutions proceed not from me but I expect it from others and will meet it in obedience to the will of my Father Who has shown me the way Restrain therefore your worldly prudence 5 Then that distraught governor continued his letter stating that Jesus then disappeared like a bright shadow behind the curtain of the basilic And that was to his great relief For he felt a heavy burden which he could not relive while in His presence 6 But Pilate added the city was overflowing with a tumultuous populace clamouring for the death of the Nazarene My emissaries informed me danger was pressing CHAPTER 3 THE OMEN OF OMENS 1 Then Pontius went on to share something very personal saying I had taken a wife from among the Gauls Weeping and throwing herself at my feet she said to me Beware beware and touch not that man for He is holy Last night I saw Him in a vision Just as Matthew 27 19 recorded Then she quickly added He was walking on the waters 2 He was flying on the wings of the wind He spoke to the tempest and to the fishes of the lake all were obedient to Him 3 So after that Roman official described his wife s real emotional pleas he exclaimed that an air of desolation and sadness enveloped him immediately 4 Later on after Pilate s hand was finally forced into action by the crazed people to send Christ to His very worst fate he continued writing For Jesus the elements were no more in His hands than the clay of the potter He could convert water into wine He could change death into life disease into health He could calm the seas still the storms call up fish with a silver coin in it s mouth 5 Now I say if He could do all these things which He did And many more as the Jews all testify and it was doing these things that created this enmity against Him He was not charged with criminal offenses nor was He charged with violating any law nor of wronging any individual person and all these facts are known to thousands as well by His foes as by His enemies I am almost ready to say as did Manlius at the cross Truly this was the Son of God 6 After finishing that age old text I suddenly stood very dumbfounded I was also extremely amazed perplexed and really felt like scratching my head 7 For it was as clear as a tear that Jesus was hastily arrested without indictment Accused of heresy without evidence Adjudged without witnesses Punished without a verdict And at the end of that most unjust day our Living Advocate of Justice was then condemned to die by a trembling judge that couldn t even find any fault in Him **Pilate's Question "Whence Art Thou?"**

an Essay on the Personal Claims Asserted by Jesus Christ and how to Account for Them John Kennedy,1877 The Complete Harley 2253 Manuscript, Volume 1 ,2015-04-01 British Library MS Harley 2253 is one of the most important literary works to survive from the English medieval era In rarity quality and abundance its secular love lyrics comprise an unrivaled collection Intermingled with them are contemporary political songs as well as delicate lyrics designed to inspire religious devotion Ecce homo! Toleration and Other Essays Voltaire,1912 **The Apocryphal New Testament** ,1926 **Historical Method and Confessional Identity in the Era of the Reformation (1378-1615)** Irena Backus,2021-10-11 This volume deals with the basic problem of how theologians of all confessions handled ancient mainly Christian history in the Reformation era The author argues that far from being a mere tool of religious controversy history was used throughout the 16th century to

express profound religious and theological convictions and that historians and theologians of different confessions sought to define their religious identity by recourse to a particular historical method By carefully comparing the types of historical documents produced by Calvinist Lutheran and Roman Catholic circles she throws a new light on patristic editions and manuals the Centuries of Magdeburg the Ecclesiastical Annals of Caesar Baronius and various collections of New Testament Apocrypha Much of this material is examined here for the first time The book substantially revises existing preconceptions about Reformation historiography and view of the past **The Apocryphal Gospels and Other Documents Relating to the History of Christ.
