In Fact George Seldes,1943 *In Fact* ,1944 **Antisemitic Myths** Marvin Perry,Frederick M. Schweitzer,2008 This anthology presents 90 documents that focus on the nature evolution and meaning of the principle myths that have made anti Semitism such a lethal force in history Jews as deicides ritual murderers agents of Satan international conspirators and conniving unscrupulous Shylocks The Satanizing of the Jews Joel Carmichael,1992 The literature about anti Semitism is vast However much of what has been written about it takes the existence of this phenomenon for granted giving us a history of anti Semitism without explaining what it really is Carmichael s treatise is different It is not primarily a history of atrocities it goes to the roots thus clearing the confusion about the distinction between mystical anti Semitism and other forms of racism Mystical anti Semitism is a singular idea which culminated in the Holocaust and is still alive today Carmichael contends that it has nothing to do with a personal hatred of the Jews He argues that the view of anti Semitism as being directed against real life Jews has in fact helped objectify the irrational hatred that is at its core Anti Semitism received its mystical element when the Church Fathers transformed historical theory into theology St Paul believed in the imminence of the Kingdom of God which would be the end of history and reverse the injustice done to the Jews To him God s reentering history was delayed only until the God forces in this world had finally defeated the Devil forces Yet the world did not end and in the wake of Rome s crushing victory over Judea in the Roman Jewish War the idea of the Kingdom of God was postponed indefinitely Instead the Universal Church took over God s place in the world and the Devil s role was assigned to those who rejected Jesus and have since been blamed for his death the Jews The rise of Christianity established anti Semitism politically

it finally gained a broad popular basis during the Crusades eventually leading to international prosecutions Ghettoes were established as a consequence of the Reformation Carmichael describes the waning of theology's influence during the 18th century which only caused the concepts of Jew and Jewish to become abstract and ultimately being equated with Pure Evil the development of the concept of race in the 19th century which turned anti-Semitism from a theological notion into a biological one as exemplified most radically and horribly by Hitler and Communism's contribution to the perseverance of anti-Semitism In an epilogue Carmichael distinguishes mystical anti-Semitism from the Arab opposition to the State of Israel and examines what the future has in store for the Jews     The Devil and the Jews Joshua Trachtenberg, 1961
