## **The Life And Perambulations Of A Mouse:**

**The Life and Perambulations of a Mouse** Dorothy Kilner, 2022-10-31 Reproduction of the original *The Life and Perambulations of a Mouse* Dorothy Kilner, 2023-08-22 Dorothy Kilner's *The Life and Perambulations of a Mouse* is a charming children's book that follows the adventures of a curious mouse named Muz. Written in a playful and whimsical style, Kilner's story not only entertains young readers but also imparts valuable life lessons about curiosity, friendship, and courage. Set in the English countryside, the book captures the essence of 18th-century children's literature with its moralistic undertones and anthropomorphized animal characters. The vivid descriptions of Muz's encounters with other animals and humans make this book a delightful read for both children and adults alike, showcasing Kilner's skill in storytelling and her ability to engage with readers of all ages. Dorothy Kilner's *The Life and Perambulations of a Mouse* reflects her deep understanding of childhood imagination and curiosity. As a prolific writer of children's literature, Kilner's own experiences as a mother and educator likely influenced the themes and characters in this book. Recommended for anyone looking for a heartwarming tale that celebrates the spirit of adventure and friendship, *The Life and Perambulations of a Mouse* is a timeless classic that continues to captivate readers with its endearing story and timeless lessons. [The Life and Perambulations of a Mouse](#) Dorothy Kilner, 2018 *The Life and Perambulations of a Mouse* by Dorothy Kilner is a rare manuscript, the original residing in some of the great libraries of the world. This book is a reproduction of that original, typed out and formatted to perfection, allowing new generations to enjoy the work. Publishers of the Valley's mission is to bring long out of print manuscripts back to life. **The Life and Perambulation of a Mouse** Dorothy Kilner, 1828 [The Life and Perambulations of a Mouse](#) Dorothy Kilner, 1999 *The Life and Perambulation of a Mouse*. [The Address to the Reader Signed: M.P., i.e. Dorothy Kilner.]. Dorothy Kilner, M. P., 1795 **Talking Animals in British Children's Fiction, 1786-1914** Tess Cosslett, 2017-03-02 In her reappraisal of canonical works such as *Black Beauty*, *Beautiful Joe*, *Wind in the Willows*, and *Peter Rabbit*, Tess Cosslett traces how nineteenth-century debates about the human and animal intersected with or left their mark on the venerable genre of the animal story written for children. Effortlessly applying a range of critical approaches from Bakhtinian ideas of the carnivalesque to feminist postcolonial and ecocritical theory, she raises important questions about the construction of the child reader, the qualifications of the implied author, and the possibilities of children's literature compared with literature written for adults. Perhaps most crucially, Cosslett examines how the issues of animal speech and animal subjectivity were managed at a time when the possession of language and consciousness had become a vital sign of the difference between humans and animals. Topics of great contemporary concern, such as the relation of the human and the natural, masculine and feminine, child and adult, are investigated within their nineteenth-century contexts, making this an important book for nineteenth-century scholars, children's literature specialists,

and historians of science and childhood      Life and Perambulations of a Mouse ,      The Life and Perambulations of a Mouse ,1851      **Speaking for Nature** Sylvia Bowerbank,2004-06-28 The book contains perceptions of nature and ecology in writings by English women authors from the sixteenth seventeenth and eighteenth centuries Includes discussion of works by the writers Mary Wroth ca 1586 ca 1640 Margaret Cavendish 1624 1674 Mary Rich Warwick 1625 1678 Catherine Talbot 1721 1770 Mary Wollstonecraft 1759 1797      **The Life and Perambulations of a Mouse** Dorothy Kilner,1850      **The Life and Perambulation of a Mouse** Dorothy Kilner,1790      *Writing About Animals in the Age of Revolution* Jane Spencer,2020-06-10 What did British people in the late eighteenth century think and feel about their relationship to nonhuman animals This book shows how an appreciation of human animal similarity and a literature of compassion for animals developed in the same years during which radical thinkers were first basing political demands on the concept of natural and universal human rights Some people began to conceptualise animal rights as an extension of the rights of man and woman But because oppressed people had to insist on their own separation from animals in order to claim the right to a full share in human privileges the relationship between human and animal rights was fraught and complex This book examines that relationship in chapters covering the abolition movement early feminism and the political reform movement Donkeys pigs apes and many other literary animals became central metaphors within political discourse fought over in the struggle for rights and freedoms while at the same time more and more writers became interested in exploring the experiences of animals themselves We learn how children s writers pioneered narrative techniques for representing animal subjectivity and how the anti cruelty campaign of the early 1800s drew on the legacy of 1790s radicalism Coleridge Wordsworth Clare Southey Blake Wollstonecraft Equiano Dorothy Kilner Thomas Spence Mary Hays Ignatius Sancho Anna Letitia Barbauld John Oswald John Lawrence and Thomas Erskine are just a few of the writers considered Along with other canonical and non canonical writers of many disciplines they placed nonhuman animals at the heart of British literature in the age of the French Revolution      **British It-Narratives, 1750-1830, Volume 2** Mark Blackwell,Liz Bellamy,Christina Lupton,Heathe Keenleyside,2024-08-01 It narratives are prose fictions that take as their central characters animals or inanimate objects This four volume reset collection includes numerous examples of narratives in different forms including short stories excerpts from novels periodical fiction and serialized works      **The Rise of Animals and Descent of Man, 1660-1800** John Morillo,2017-11-22 The Rise of Animals and the Descent of Man illuminates compelling historical connections between a current fascination with animal life and the promotion of the moral status of non human animals as ethical subjects deserving our attention and respect and a deep interest in the animal as agent in eighteenth century literate culture It explores how writers including well known poets important authors who mixed art and science and largely forgotten writers of sermons and children s stories all offered innovative alternatives to conventional narratives about the meaning of animals in early modern Europe They question Descartes claim that animals are essentially soulless machines

incapable of thought or feelings British writers from 1660 1800 remain informed by Cartesianism but often counter it by recognizing that feelings are as important as reason when it comes to defining animal life and its relation to human life This British line of thought deviates from Descartes by focusing on fine feeling as a register of moral life empowered by sensibility and sympathy but this very stance is complicated by cultural fears that too much kindness to animals can entail too much kinship with them fears made famous in the later reaction to Darwinian evolution The Rise of Animals uncovers ideological tensions between sympathy for animals and a need to defend the special status of humans from the rapidly developing Darwinian perspective The writers it examines engage in complex negotiations with sensibility and a wide range of philosophical and theological traditions Their work anticipates posthumanist thought and the challenges it poses to traditional humanist values within the humanities and beyond The Rise of Animals is a sophisticated intellectual history of the origins of our changing attitudes about animals that at the same time illuminates major currents of eighteenth century British literary culture
