## **The Life And Times Of A Reluctant Desperado:**

**The Life and Times of a Reluctant Desperado** Sherry D. Walker, 1979-08-01      Desperado Diana Palmer, 2021-10-18  
Risking his neck and falling in love is all in a day's work in New York Times bestseller Diana Palmer's classic *Desperado* Cord Romero lives for the adrenaline rush that comes with being a mercenary for hire But this time the job is personal Having barely survived a murder attempt Cord is determined to neutralize his foe In order to get closer to his target Cord joins forces with the Lassiter Detective Agency where he's reunited with childhood friend Maggie Barton Maggie is no longer the impressionable young woman he once knew She is strong independent and in charge of her own life and professionally Cord's equal But Maggie has one vulnerability a tragic secret from her past that threatens her relationship with Cord and sets her up as a pawn for his deadly enemy As sparks fly between them he vows to save her at any cost      **Books in Print**, 1981

The Desperado Age,      **The Reluctant Father** Diana Palmer, 2015-05-18 New York Times bestselling author Diana Palmer brings readers back to the range with a reader favorite tale of love family and cattlemen Blake Donovan has one nemesis love He's spent so many years building a wall between himself and the outside world that he doubts anyone could ever thaw the ice around his heart But he gets the surprise of a lifetime when a little girl with his green eyes shows up on his doorstep He's a daddy What's a rancher to do Little Sarah is accompanied home by Meredith Calhoun who isn't so eager to see Blake Although she was once a thorn in Blake's side Meredith is now a stunningly beautiful woman She's spent time away from home and matured becoming a successful author But can she melt Blake's hardened heart to create a forever family with the man of her dreams and his newfound daughter Look for Diana Palmer's tale of love born in Big Sky County with Wyoming Rugged      *Mission Unaccomplished* Alan Nadel, 2025 Throughout his career prominent film scholar Alan Nadel has explored the idea of cultural narratives and how every social unit sees and explains the world through the stories we tell In this book he identifies how the war film genre has changed in the 21st century after 9/11 and more specifically Bush's announcement of Mission Accomplished He explains how the traditional war film narrative in which soldiers have a specific mission or objective to achieve in battle changed to one in which war is treated as a daily occupation with no larger mission that will lead even in the long run to peace He examines how films such as *Saving Private Ryan* at the end of the 20th century have morphed into films such as *Jarhead* *The Hurt Locker* and *The Green Zone* With the indefinite and ill planned occupation of Afghanistan and Iraq including the privatization of many military services through contractors this new situation has led to films in which we follow soldiers day to day lives as they go through their duties or even after they've come home as in *American Sniper* Another change in war films during the Global War on Terror puts the emphasis on just surviving and getting out such as in *Hacksaw Ridge* which even carries over to films about for example WWII such as *Dunkirk* Again combatants have no specific goal other than escaping or helping others to escape or just surviving long enough to go home Nadel shows how this change has also affected non war films such as *Sully* *Captain Phillips* *Deepwater*

Horizon and Get Out and even the television series Lost Nadel deftly moves between political history and film analysis with this wide ranging lucid examination of the changing nature and role of war films Ralph Compton The Reluctant Lawman Craig Barstow, Ralph Compton, 2022-02-22 A gunman wants to hang up his Colts in this fast paced installment of Ralph Compton's Sundown Riders series Luke Lessing was told his career at the Pinkerton Agency was assured thanks to his skill with pistol and rifle But when his partner got ambushed Luke was widely blamed Discouraged with Pinkerton politics he moved on to a job as sheriff in a sleepy little town in Colorado only to barely escape with his life So Luke happily traded wearing a badge for cooking at the Comstock Caf in Virginia City hub of the fabled Comstock Lode He'd put his past behind him until a bushwhacked marshal and a confrontation with an old enemy drag him into a whirlpool of corruption missing miners and concealed treasure where you can never tell who will betray you next Luke's pressured to pin on a badge yet again not only by the Secretary of the Nevada Territory but the Secretary's boss who happens to be President of the United States There's a lot of dough on the line but not the kind he's got a talent for What does a fella have to do to get back to baking biscuits More than eight million Ralph Compton books in print The Reluctant King L. Sprague de Camp, 2016-11-01 The King had a good head on his shoulders for the moment anyway Everyone agreed that King Jorian of Xylar had been a good and just ruler In fact many also agreed that in this case it was a pity that the laws of Xylar decreed that each randomly chosen King must reign for only five years and then after due pomp and ceremony have his head cut off Understandably Jorian himself was wholeheartedly in agreement with the second sentiment so with the help of a spell provided by the wizard Karadur he escaped from the beheading ceremony with his head still on his shoulders Unfortunately his beloved wife Queen Estrildis was left behind and getting her out of Xylar would be anything but simple particularly with the Royal Guard of Xylar hot on the trail of their fugitive monarch With Karadur's magic Jorian might be able to pull off the rescue But first he would have to locate a trove of ancient spells deal with an enemy wizard steal an item from a 500 year old but still beautiful princess who turns into a giant serpent at inopportune moments repair the giant tower clocks of Iraz to fulfill a prophecy break a pirate siege and finally fly back to Xylar in an enchanted bathtub and whisk away his beloved Estrildis before the Royal Guard notices that their King not to mention his head has returned Then things began to get complicated At the publisher's request this title is sold without DRM Digital Rights Management The Reluctant Hero Lorraine Heath, 2015-05-12 What She Needs Texas in the 1880s is a wild and lawless land where a woman fending for herself is a rare breed Andrea Jackson is just that A woman who went against the grain by writing bestselling novels instead of marrying and staying at home But with her muse and her money dried up she's in desperate need of a hero And Sheriff Matthew Knight has just the right material Only He Can Give Matthew doesn't know what to make of the sassy bright eyed temptress who insists on following him around He's nobody's hero and he doesn't believe in fairy tales What he is is a man With a man's needs And there's something about the feisty determined vixen he just can't seem to shake Previously published

in My Heroes Have Always Been Cowboys      **Reluctant Gangsters** John Pitts, 2013-01-11 This book provides an account of the emergence nature and impact of armed youth gangs in an East London Borough over the last decade It describes the challenges these armed young men and women pose to their communities those charged with preventing crime and those struggling to vouchsafe community safety While the focus of the book is local the processes it outlines and the effects it chronicles have both a national and international relevance It argues that the main reason behind the emergence of the armed youth gang has been the coalescence of two previously discreet socially deviant groups the rowdy episodically criminal adolescent peer group on the one hand and the locally based organized criminal network on the other The book analyses the impact of the globalisation of the drugs trade and the consequent shift in the focus of local organized crime from the blag to the business It also discusses how socio economic and cultural factors as well as family and neighbourhood histories and loyalties and localized racial antagonisms all play their part in the emergence of the armed youth gang      *Outlaw Tales of the Old West: Fifty True Stories of Desperados, Crooks, Criminals, and Bandits* Erin H. Turner, 2016-06-03 This collection of fifty outlaw tales includes well knowns such as Butch Cassidy and the Sundance Kid Frank and Jesse James Belle Starr and her dad and Pancho Villa along with a fair smattering of women organized crime bosses smugglers and of course the usual suspects highwaymen bank and train robbers cattle rustlers snake oil salesmen and horse thieves Men like Henry Brown and Burt Alvord worked on both sides of the law either at different times of their lives or simultaneously Clever shyster Soapy Smith and murderer Martin Couk survived by their wits while the outlaw careers of the dimwitted DeAutremont brothers and bigmouthed Diamondfield Jack were severely limited by their intellect or lack thereof Nearly everyone in these pages was motivated by greed revenge or a lethal mixture of the two The most bloodthirsty of the bunch such as the heartless and some might argue soulless Annie Cook and trigger happy Augustine Chac n surely had evil written into their very DNA      **Books**

**Out-of-print** , 1981      **Lessons from a Desperado Poet** Baxter Black, 2012-10-16 Part memoir part how to all America s Cowboy Poet Baxter Black *Lessons from a Desperado Poet* is a humorous witty take on making a living by doing the right thing and trying everything Page 4 of cover      *Death Orders* Anna Geifman, 2010-05-20 This fascinating study shows how terrorism as developed and practiced in Romanov Russia has over the past century manifested itself as the template for modern and postmodern terrorism as a universal sociocultural psychological and existential experience irrespective of particular political causes ethnic distinctions and ideological boundaries Arguing that Russia is the birthplace of modern terrorism *Death Orders The Vanguard of Modern Terrorism in Revolutionary Russia* uses the nation as a case study of psycho historical patterns of worldwide terrorist activity during the past century Key features of early 20th century Russian political extremism serve as models for terrorist experiences in other periods and regions as author Anna Geifman builds a typology of a universal phenomenon The book shows how in Russia and elsewhere terrorists objectives have degenerated from punishment of individual adversaries and attempts to intimidate political elites to indiscriminate acts of political violence It

shifts attention from ideology to practices that had been previously hidden ignored or rationalized demonstrating that what terrorists say about their motives may not be what actually drives them to brutality By looking closely at Russian precedents for the general experience of modern political violence the book helps illuminate many obscure aspects of terrorism today

*The Encyclopedia of Lawmen, Outlaws, and Gunfighters* Leon Claire Metz, 2002 Standoffs saloons and sunsets spring to mind when one envisions the rough and tumble early days of the American frontier      **Proud to be an Okie** Peter La Chapelle, 2007 Proud to be an Okie is a fresh well researched wonderfully insightful and imaginative book Throughout La Chapelle s keen attention to shifting geographies and urban and suburban spaces is one of the work s real strengths Another strength is the book s focus on dress ethnicity and the manufacturing of style When all of these angles and insights are pulled together La Chapelle delivers a fascinating rendering of Okie life and American culture Bryant Simon author of Boardwalk of Dreams Atlantic City and the Fate of Urban America      **Thunder in the West** Richard W. Etulain, 2020-07-09 Even before he was shot and killed in 1881 Billy the Kid s charisma and murderous career were generating stories that belied his brief life and that only multiplied growing to legendary proportions after his death at age twenty one In Thunder in the West Richard W Etulain takes the true measure of Billy the man and the legend and presents the clearest picture yet of his life and his ever shifting place and presence in the cultural landscape of the Old West Billy the Kid born Henry McCarty in 1859 and also known as William H Bonney emerges from these pages in all his complexity at once a gentleman and gregarious companion and a thief and violent murderer Tapping new depths of research Etulain traces Billy s short life from his mysterious origins in the East through his wanderings in New Mexico Arizona and Texas As we move from his peripatetic early years through the wild West to his fatal involvement in the Lincoln County Wars we see the impressionable boy give way to the conflicted young man and finally to the opportunistic and often amoral outlaw who was out for himself for revenge and for whatever he could steal along the way Against this deftly drawn portrait Etulain considers the stories and myths spawned by Billy s life and death Beginning with the dime novels featuring Billy the Kid even during his lifetime and ranging across the myriad newspaper accounts novels and movies that alternately celebrated his outlaw life and condemned his exploits Etulain offers a uniquely informed view of the changing interpretations that have shaped and reshaped the reputation of this enduring icon of the Old West In his portrayal Billy the Kid lives on not as a cut throat desperado or a young charmer but as both hero and villain myth and man fully realized in this twenty first century interpretation      **The Mammoth Book of the West** Jon E. Lewis, 2012-03-01 Revised and expanded edition of Jon E Lewis s ever popular account of the American West The book is at once a history and a compendium of western lore It tells what life on the frontier was really like and gives a human portrait of the tough and sometimes violent way of life experienced by the early pioneers The gunfighters and the cowboys women Indians and others all have their part to play and as well as the historical accounts there are intriguing anecdotes of everyday life on the plains from how Montana cowboys warmed up their horses bits to the words of the Navajo medicine chants
