Hitler's People Richard J Evans, 2024-08-13 Named a Best Book of the Year by Kirkus Reviews and Air Mail A fascinating and instructive book elegantly written and perceptive Wall Street Journal Kaleidoscopic A fascinating exploration of individual agency that never loses sight of the larger context Just the kind of probing nuanced and unsparing study to help us think things through The New York Times Through a connected set of biographical portraits of key Nazi figures that follows power as it radiated out from Hitler to the inner and outer circles of the regime s leadership one of our greatest historians answers the enduring question how does a society come to carry out a program of unspeakable evil Richard Evans author of the acclaimed The Third Reich Trilogy and over two dozen other volumes on modern Europe is our preeminent scholar of Nazi Germany Having spent half a century searching for the truths behind one of the most horrifying episodes in human history in Hitler s People he brings us back to the original site of the Nazi movement namely the lives of its most important members Working in concentric circles out from Hitler and his closest allies Evans forms a typological framework of Germany society under Nazi rule from the top down With a novelist s eye for detail Evans explains the Third Reich through the personal failings and professional ambitions of its members from its most notorious deputies like Goebbels the regime s propagandist and Himmler the Holocaust s chief architect to the crucial enforcers and instruments of the Nazi agenda that history has largely forgotten like the schoolteacher Julius Streicher and the actress Leni Riefenstahl Drawing on a wealth of recently unearthed historical sources Hitler s People lays bare the inner and outer lives of the characters whose choices led to the deaths of millions Nearly a century after Hitler s rise the leading nations of the West are once again being torn apart by a will to power By telling the stories of these infamous lives as human lives Evans asks us to grapple with the complicated nature of complicity showing us that the distinctions between individual and collective responsibility and even between pathological evil and rational choice are never easily drawn

Hitler George Victor, 1998 A psychotherapist plumbs the depths of one of history s most disturbed minds

Top Nazi Jochen von Lang, 2013-07-15 Deeply involved in the Holocaust as Heinrich Himmler s deputy for administration Karl Wolff personally arranged for the transportation of 300 000 Jews from Poland to the Treblinka

death camp in 1943 He went to trial in Germany and received a short prison sentence in 1964 But Wolff even more than Reinhard Heydrich could claim to enjoy Adolf Hitler s complete confidence He was appointed SS police chief in northern Italy in 1943 1945 and ordered by the Führer himself to kidnap the Pope and the cardinals and take them to Germany Wolff managed to talk Hitler out of the wild scheme and escaped hanging at Nuremberg by negotiating the surrender of the German armies in Italy with Allen Dulles in Switzerland Masters of Death Richard Rhodes,2007-12-18 In Masters of Death Pulitzer Prize winning author Rhodes gives full weight for the first time to the Einsatzgruppen s role in the Holocaust These special task forces organized by Heinrich Himmler to follow the German army as it advanced into eastern Poland and Russia were the agents of the first phase of the Final Solution They murdered more than 1 5 million men women and children between 1941 and 1943 often by shooting them into killing pits as at Babi Yar These massive crimes have been generally overlooked or underestimated by Holocaust historians who have focused on the gas chambers In this painstaking account Pulitzer Prize winning author Richard Rhodes profiles the eastern campaign s architects as well as its ordinary soldiers and policemen and helps us understand how such men were conditioned to carry out mass murder Marshaling a vast array of documents and the testimony of perpetrators and survivors this book is an essential contribution to our understanding of the Holocaust and World War II **Days of Remembrance, April 26-May 3, 1992** ,1992
