Race And Homicide In Nineteenth-Century California Clare V. McKanna, 2007-08-23 Nineteenth century California was a society in turmoil with a rapidly growing population booming mining camps insufficient or nonexistent law enforcement personnel and a large number of ethnic groups with differing attitudes toward law and personal honor Violence including murder was common and legal responses varied broadly Available now for the first time in paperback *Race and Homicide in Nineteenth Century California* examines coroners inquest reports court case files prison registers and other primary and printed sources to analyze patterns of homicide and the state s embryonic justice system Author Clare V McKanna discovers that the nature of crimes varied with the ethnicity of perpetrators and victims as did the conduct and results of trials and sentencing patterns He presents specific case studies and a vivid portrait of an unruly society in flux Enhanced with testimony from contemporary sources and illustrated with period photographs this study richly portrays a frontier society where the law was neither omnipotent nor impartial

The California Gold Rush and the Coming of the Civil War Leonard L. Richards, 2008-02-12 Award winning historian Leonard L Richards gives us an authoritative and revealing portrait of an overlooked harbinger of the terrible battle that was to come When gold was discovered at Sutter s Mill in 1848 Americans of all stripes saw the potential for both wealth and power Among the more calculating were Southern slave owners By making California a slave state they could increase the value of their slaves by 50 percent at least and maybe much more They could also gain additional influence in Congress and expand Southern economic clout abetted by a new transcontinental railroad that would run through the South Yet despite their machinations California entered the union as a free state Disillusioned Southerners would agitate for even more slave territory leading to the Kansas Nebraska Act and ultimately to the Civil War itself

Servants of the Law Donald R. Burrill, 2011 Among the judicial immigrants were the southerner David S Terry of Texas and the northerner Stephen J Field of New York These men served on California s highest court during its formative strenuous years from 1855 to 1863 The intellectual similarities and differences that these two shared played themselves out over a period of 35 years and brought about a series of events that neither man could have envisioned Their exchanges began as wary judicial amity within the courtroom but in short order spilled out into the community as public grudges Neither judge could tolerate the other s regional provincialism hence lifelong resentments inevitably turned into a bitterness that led to tragedy Foreword p vii

Dirty Deeds Nancy J. Taniguchi, 2016-10-27 The California gold rush of 1849 created fortunes for San Francisco merchants whose wealth depended on control of the city's docks. But ownership of waterfront property was hotly contested. In an 1856 dispute over land titles, a county official shot an outspoken newspaperman, prompting a group of merchants to organize the San Francisco Committee of Vigilance. The committee, which met in secret, fed biased stories to the newspapers, depicting itself as a necessary substitute for incompetent law enforcement. But its actual purpose was quite different. In *Dirty Deeds*, historian Nancy J. Taniguchi draws on the 1856 Committee's minutes, long lost until she unearthed them, to present the first clear picture of its actions and motivations. San Francisco's real estate comprised a patchwork of land grants left from the Spanish and Mexican governments, grants that had been appropriated and sold over and over. Even after the establishment of a federal board in 1851 to settle the complicated California claims, land titles remained confused, and most of the land in the city belonged to no one. The acquisition of key waterfront properties in San Francisco by an ambitious politician motivated the thirty odd merchants who called themselves the Executives of the Vigilance Committee to go directly after these parcels. Despite the organization's assertion of working on behalf of law and order, its tactics—kidnapping, forced deportations, and even murder—went far beyond the bounds of law. For more than a century, scholars have accepted the vigilantes' self-serving claims to honorable motives. *Dirty Deeds* tells the real story in which a band of men took over a city in an attempt to control the most valuable land on the West Coast. Ranging far beyond San Francisco, the 1856 Vigilance Committee's activities affected events on the East Coast, in Central America, and in courts throughout the United States, even after the Civil War.

A Self-Governing Dominion William Henry Ellison, 2023-04-28 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1950.

Woman Lawyer Barbara Babcock, 2011-01-05 *Woman Lawyer* tells the story of Clara Foltz, the first woman admitted to the California Bar. Famous in her time as a public intellectual, leader of the women's movement, and legal reformer, Foltz faced terrific prejudice and well-organized opposition to women lawyers as she tried cases in front of all-male juries, raised five children as a single mother, and stumped for political candidates. She was the first to propose the creation of a public defender to balance the public prosecutor. *Woman Lawyer* uncovers the legal reforms and societal contributions of a woman celebrated in her day but lost to history until now. It casts new light on the turbulent history and politics of California in a period of phenomenal growth and highlights the interconnection of the suffragists and other movements for civil rights and legal reforms.

History of the Bench and Bar of California Oscar Tully Shuck, 1901 Brief biographies of judges, attorneys, legal events, and important cases of nineteenth-century California. With many portraits.
