

READING THE CANTOS

A Study of Meaning in Ezra Pound

by Noel Stock

All in progress. Ezra Pound's *Cantos* is unquestionably the most famous contemporary poem in the world today, and many of its readers find that it is the most difficult. Noel Stock's study tackles what is often considered its central problem—meaning. Many students of the *Cantos* will be delighted to find that Mr. Stock attempts to dispel the myth of major form which has plagued Pound scholars for so many years and led them into dubious theories to explain the seeming "grab-bag" appearance of the poem. Mr. Stock maintains that the *Cantos* is not really a poem at all, but rather a work in progress—a collection of fragments of varying quality, some of considerable power and beauty, but in no sense formed into a unified work of art.

Reading the *Cantos* is a tremendously hard job of the kind of pedantic jargon that is seldom to be often found in the past. Mr. Stock's book performs a great service by putting his subject into understandable perspective; every reader of modern poetry will benefit from it, whether or not they agree with his conclusions.

The Life Of Ezra Pound Expanded Ed:

Ezra Pound in London and Paris, 1908-1925 J. J. Wilhelm, 2010-11-01 *Ezra Pound and Italian Fascism* Tim Redman, 1991-03-29 This fascinating account of Ezra Pound and Italian Fascism allows the reader to understand the causes and results of Pound's ideology and actions

Ezra Pound and the Spanish World Viorica Patea, John Gery, Walter Baumann, 2024-04-26 This collection offers for the first time criticism biographical essays analysis translation studies and reminiscences of Ezra Pound's extensive interaction with Spain and Spanish culture from his earliest visits to Spain in 1902 and 1906 and his study of significant Spanish writers to the dedication of the first monument erected anywhere to Pound in the small Spanish village of Medinaceli in 1973 Divided into two sections Part One ON EZRA POUND AND THE SPANISH WORLD includes a general introduction on Pound's lifelong involvement with Spain together with chapters on Pound's study of classical Spanish literature the Spanish dimension in The Cantos Pound's contemporary Spanish connections and his legacy in contemporary Spanish letters Part Two EZRA POUND AND THE SPANISH WORLD A READER then gathers for the first time Pound's own writings postcards letters and essays concerning Spain and Spanish writers as well as his correspondence with Spanish poets Miguel de Unamuno and Juan Ramn Jim nez and with Jos V zquez Amaral the first Spanish translator of The Cantos in its entirety The volume includes reminiscences by Spanish Nov simos poets Antonio Colinas and Jaime Siles written explicitly for this collection Besides providing a thorough exploration into Pound's engagement with Spain this volume pays homage to Pound's considerable influence on Spanish culture

The Free World Louis Menand, 2021-04-20 An engrossing and impossibly wide ranging project In The Free World every seat is a good one Carlos Lozada The Washington Post The Free World sparkles Fully original beautifully written One hopes Menand has a sequel in mind The bar is set very high David Oshinsky The New York Times Book Review Editors Choice One of The New York Times's 100 best books of 2021 One of The Washington Post's 50 best nonfiction books of 2021 A Mother Jones best book of 2021 In his follow up to the Pulitzer Prize winning The Metaphysical Club Louis Menand offers a new intellectual and cultural history of the postwar years The Cold War was not just a contest of power It was also about ideas in the broadest sense economic and political artistic and personal In The Free World the acclaimed Pulitzer Prize winning scholar and critic Louis Menand tells the story of American culture in the pivotal years from the end of World War II to Vietnam and shows how changing economic technological and social forces put their mark on creations of the mind How did elitism and an anti totalitarian skepticism of passion and ideology give way to a new sensibility defined by freewheeling experimentation and loving the Beatles How was the ideal of freedom applied to causes that ranged from anti communism and civil rights to radical acts of self creation via art and even crime With the wit and insight familiar to readers of The Metaphysical Club and his New Yorker essays Menand takes us inside Hannah Arendt's Manhattan the Paris of Jean Paul Sartre and Simone de Beauvoir Merce Cunningham and John Cage's residencies at North Carolina's Black Mountain College and the Memphis

studio where Sam Phillips and Elvis Presley created a new music for the American teenager He examines the post war vogue for French existentialism structuralism and post structuralism the rise of abstract expressionism and pop art Allen Ginsberg's friendship with Lionel Trilling James Baldwin's transformation into a Civil Right spokesman Susan Sontag's challenges to the New York Intellectuals the defeat of obscenity laws and the rise of the New Hollywood Stressing the rich flow of ideas across the Atlantic he also shows how Europeans played a vital role in promoting and influencing American art and entertainment By the end of the Vietnam era the American government had lost the moral prestige it enjoyed at the end of the Second World War but America's once despised culture had become respected and adored With unprecedented verve and range this book explains how that happened *Ezra Pound Among the Poets* George Bornstein, 1988-10-03 Be influenced by as many great writers as you can said Ezra Pound Pound was an assimilative poet par excellence as George Bornstein calls him a writer who more often adhered to a classical conception of influence as benign and strengthening than to an anxiety model of influence To study Pound means to study also his precursors Homer Ovid Li Po Dante Whitman Browning as well as his contemporaries Yeats Williams and Eliot These poets discussed here by ten distinguished critics stimulated Pound's most important poetic encounters with the literature of Greece Rome China Tuscany England and the United States Fully half of these essays draw on previously unpublished manuscripts **Dora Marsden and Early Modernism** Bruce Clarke, 1996 Arguing that Marsden's contributions have been neglected and misunderstood *Dora Marsden and Early Modernism* seeks to restore Marsden to her proper status as one of the major influences on modern British and American literature as well as the early literary sensibilities of D H Lawrence Ezra Pound and William Carlos Williams **A Poem Containing History** Lawrence S. Rainey, 1997 A suggestive survey of new approaches to a twentieth century classic **Pound/the Little Review** Ezra Pound, 1988 Gathers Pound's letters to the publisher of the Little Review and provides background information on this period in Pound's life *Dudley Murphy, Hollywood Wild Card* Susan Delson, 2006 Follows the life of Hollywood's first independent filmmaker known for *The Emperor Jones* and *Ballet mécanique* *How to Live/what to Do* Adalaide Kirby Morris, 2003 Adalaide Morris removes the work of the iconic writer H D from the various compartments into which it has traditionally been placed and examines what she terms the ongoingness of her writing showing her to be a playful linguistic innovator whose writings are relevant to many fields of human activity **John Kasper and Ezra Pound** Alec Marsh, 2015-05-21 John Kasper was a militant far right activist who first came to prominence with his violent campaigns against desegregation in the Civil Rights era Ezra Pound was the seminal figure in Anglo American modernist literature and one of the most important poets of the 20th century This is the first book to comprehensively explore the extensive correspondence lasting over a decade and numbering hundreds of letters between the two men John Kasper and Ezra Pound examines the mutual influence the two men exerted on each other in Pound's later life how John Kasper developed from a devotee of Pound's poetry to an active right wing agitator how Pound's own ideas about race and American politics

developed in his discussions with Kasper and how this informed his later poetry Shedding a disturbing new light on Ezra Pound's committed engagement with extreme right wing politics in Civil Rights era America this is an essential read for students of 20th century literature *Mosaic*, 1988 *T. S. Eliot and the Ideology of Four Quartets* John Xiros Cooper, 1995-12-14 Criticism of Eliot has ignored the public dimension of his life and work His poetry is often seen as the private record of an internal spiritual struggle Professor Cooper shows how Eliot deliberately addressed a North Atlantic mandarin fearful of social disintegration during the politically turbulent 1930s Almost immediately following publication *Four Quartets* was accorded canonical status as a work that promised a personal harmony divorced from the painful disharmonies of the emerging postwar world Cooper connects Eliot's careers as banker director and editor to a much wider cultural agenda He aimed to reinforce established social structures during a period of painful political transition This powerful and original study re-establishes the public context in which Eliot's work was received and understood It will become an essential reference work for all interested in a wider understanding of Eliot and of Anglo American cultural relations

The Author as Character A. J. Hoenselaars, 1999 Many fictional works have real historical authors as characters Great national literary icons like Virgil and Shakespeare have been fictionalized in novels plays poems movies and operas This fashion might seem typically postmodern the reverse side of the contention that the Author is Dead but this collection of essays shows that the representation of historical authors as characters can boast of a considerable history and may well constitute a genre in its own right This volume brings together a collection of articles on appropriations of historical authors written by experts in a wide range of major Western literatures

BOOK JACKET **Art Matters** Robert Paul Lamb, 2011-02-18 In *Art Matters* Robert Paul Lamb provides the definitive study of Ernest Hemingway's short story aesthetics Lamb locates Hemingway's art in literary historical contexts and explains what he learned from earlier artists including Edgar Allan Poe Paul C. Zane Henry James Guy de Maupassant Anton Chekhov Stephen Crane Gertrude Stein James Joyce and Ezra Pound Examining how Hemingway developed this inheritance Lamb insightfully charts the evolution of the unique style and innovative techniques that would forever change the nature of short fiction *Art Matters* opens with an analysis of the authorial effacement Hemingway learned from Maupassant and Chekhov followed by fresh perspectives on the author's famous use of concision and omission Redefining literary impressionism and expressionism as alternative modes for depicting modern consciousness Lamb demonstrates how Hemingway and Willa Cather learned these techniques from Crane and made them the foundation of their respective aesthetics After examining the development of Hemingway's art of focalization he clarifies what Hemingway really learned from Stein and delineates their different uses of repetition Turning from techniques to formal elements *Art Matters* anatomizes Hemingway's story openings and endings analyzes how he created an entirely unprecedented role for fictional dialogue explores his methods of characterization and categorizes his settings in the fifty three stories that comprise his most important work in the genre A major contribution to Hemingway

scholarship and to the study of modernist fiction Art Matters shows exactly how Hemingway's craft functions and argues persuasively for the importance of studies of articulated technique to any meaningful understanding of fiction and literary history The book also develops vital new ways of understanding the short story genre as Lamb constructs a critical apparatus for analyzing the short story introduces to a larger audience ideas taken from practicing storywriters theorists and critics and coins new terms and concepts that enrich our understanding of the field
