Why We Fail as Christians Robert Hunter, 1919 *The Life, Works, and Witness of Tsehay Tolessa and Gudina Tumsa, the Ethiopian Bonhoeffer* Samuel Yonas Deressa, Sarah Hinlicky Wilson, 2017-06-15 This book opens a window into the lives and extraordinary witness of a Christian couple whose faithful life of service has earned the moniker of Ethiopia's Bonhoeffer In Part One the reader encounters the extant writings of Gudina

Tumsa Gudina's ideas were by no means silenced by his murder. If anything quite the opposite as is so often the case with martyrs. Part Two is a highly personal account of Gudina and Tsehay's life, witness and sufferings. Aud Saeveras, a Norwegian missionary working with her husband in Ethiopia, got to know Tsehay during her many years in prison, often bringing her food. After Tsehay was finally released, Saeveras encouraged her to report the truth about what had happened. The result was this memoir, first written in Norwegian, then translated into German, and now for the first time in English. Saeveras frames the story, but most of the words are Tsehay's. This collection concludes with an essay by Samuel Yonas Deressa on the impact that Gudina's vision has had on the EECMY and the formation of the Gudina Tumsa Foundation with its various scholarly and development activities. Gudina lives on in the many Ethiopian Christians who continue to be inspired by his life and witness.

Bell, 2020-01-21 Wagner's Ring is one of the greatest of all artworks of Western civilization, but what is it all about? The power and mystery of Wagner's creation was such that he himself felt he stood before his work as though

before some puzzle A clue to the Ring's greatness lies in its multiple avenues of self disclosure and the corresponding plethora of interpretations that over the years has granted ample scope for directors and will no doubt do so well into the distant future One possible interpretation which Richard Bell argues should be taken seriously is the Ring as Christian theology In this first of two volumes Bell considers among other things how the composer's Christian interests may be detected in the forging of his Ring looking at how he appropriated his sources whether they be myths and sagas writers poets or philosophers and considering works composed around the same time especially his *Jesus of Nazareth* *A History of the Jewish People in the Time of Jesus Christ* Emil Schürer, 2023-12-23 In *A History of the Jewish People in the Time of Jesus Christ* Emil Schürer intricately examines the socio political landscape of Judea during the Second Temple period Through a meticulous blend of historical analysis and theological insight Schürer contextualizes the life of Jesus within the broader tapestry of Jewish life exploring factions such as the Pharisees Sadducees and Zealots The book's scholarly approach enriched with extensive references and primary sources positions it as a critical text in both biblical scholarship and Jewish history bridging the gap between ancient texts and contemporary understanding Emil Schürer a prominent German biblical scholar and historian contributed significantly to the fields of theology and history during the late 19th century His deep understanding of Jewish culture and languages was informed by his academic background and personal interests which sought to illuminate the complexities of Jewish existence amidst Roman rule Schürer's own faith coupled with his scholarly rigor spurred him to dissect the intersections of religion and daily life ultimately crafting a narrative that resonates with both historians and theologians alike This book is an essential read for anyone interested in understanding the nuances of First Century Judea and the formative years of early Christianity Schürer's insightful analysis provides readers with a rich historical context that enhances their comprehension of biblical texts Thus whether you are a student of theology a historian or simply a curious reader Schürer's work is an invaluable resource that deepens one's appreciation for this pivotal historical epoch In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read [Feasting on the Word](#) David Lyon Bartlett, Barbara Brown Taylor, 2009-10-01 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day Epiphany Holy Week and All
