The Life Of My Choice:

The Life of My Choice Wilfred Thesiger, 1987 Wilfred Thesiger is the last of the great British eccentric explorers a legendary figure renowned for his travels through some of the most inaccessible places on earth As a child in Abyssinia he watched the victorious armies of Ras Tafari returning from hand to hand battle their prisoners in chains at the age of twenty three he made his first expedition into the country of the Danakil a murderous race among whom a man's status in the tribe depended on the number of men he had killed and castrated His widely acclaimed books *Arabian Sands* and *The Marsh Arabs* tell of his two famous sojourns in the Empty Quarter and the Marshes of southern Iraq But Thesiger's true character and motives have until now remained an enigma In this his autobiography he highlights the people who most profoundly influenced him and the events which enabled him to lead the life of his choice One of the very few people who in our time could be put on the pedestal of the great explorers of the eighteenth and nineteenth centuries DAVID ATTENBOROUGH A treasure galleon built to the same specifications as *Arabian Sands* and *The Marsh Arabs* it is the record of a man magnificently and unabashedly out of step with his times E S TURNER London Review of Books He is unquestionably one of the greatest travellers the British have ever produced the last of our recognizable primitives He also writes with much distinction and honesty GEOFFREY MOORHOUSE Daily Telegraph

The Life of Your Choice Daniel Bax, 2012-09-01 A remarkable story of recovering from a shattering accident and how the author achieved what others said was impossible This is the story of a man who miraculously woke up after a catastrophic accident left him unable to talk or eat with his left side completely paralyzed and with no memories of his past or who he was He spent the next five years piecing together his past and relearning how to speak eat and walk all things the doctors had assured his family he would never do again This book gives us his story and the methods he used to achieve what conventional wisdom said was impossible and serves as an inspiring helpful guide for readers who want to replicate his success in their own lives
