## **The Light Possessed:**

*Infinite Life Sutra* Anonymous, 2021-04-10 Anonymous's *Infinite Life Sutra* is a profound and enlightening text that delves into the concept of eternal life and the nature of existence. Written in a poetic and meditative style, the book explores the interconnectedness of all living beings and the possibility of transcending the cycle of birth and death. The *Infinite Life Sutra* is a central text in the Mahayana Buddhist tradition, offering readers a path to enlightenment through compassionate action and mindfulness. The text is filled with vivid imagery and allegorical tales that convey deep spiritual truths in a captivating manner. Anonymous's writing is both thought-provoking and inspirational, inviting readers to contemplate the mysteries of life and the universe. This timeless work continues to influence spiritual seekers and scholars around the world, offering a profound message of hope and liberation. I highly recommend *Infinite Life Sutra* to anyone interested in exploring the deeper dimensions of existence and seeking a deeper understanding of the human experience. **Buddhist Mahāyāna Texts**

Edward Byles Cowell, Junjir Takakusu, 1965-01-01 **Sacred Books of the East** F. Max Muller, 2001-09-21 This is a subset of the *Sacred Books of the East* Series, which includes translations of all the most important works of the seven non-Christian religions which have exercised a profound influence on the civilizations of the continent of Asia. The works have been translated by leading authorities in their field. *The Expository Times*, 1891 *God and Christ in Irenaeus* Anthony Briggman, 2018-12-06 For too long certain scholars have been content to portray Irenaeus of Lyons as a well-meaning churchman but incompetent theologian. By offering a careful reading of Irenaeus' polemical and constructive arguments, *God and Christ in Irenaeus* contradicts these claims by showing that he was highly educated, trained in the rhetorical arts, aware of general philosophical positions, and able to use both rhetorical and philosophical theories and methods in his argumentation. Moreover, the theological account laid down by his pen was original and sophisticated, supremely so for one of the second century. In contrast to readings that minimize the metaphysical dimension of Irenaeus' theology, Anthony Briggman establishes as pillars of Irenaeus' polemical argumentation and constructive theology his conception of the divine being as infinite and simple, the reciprocal immanence of the Word Son and God the Father, divine generation, the union of the divine Word Son and human nature in the person of Christ, and the revelatory activity of the infinite and incomprehensible Word Son. Amongst other features of his theology, Briggman offers a fundamentally new understanding of Irenaeus and his thought.

Deffinbaugh, 2002 There are certain books of the Bible that just seem to stand out, and the Gospel of John is surely one such book. It is frequently the first book of the Bible we encourage non-Christians to read in the hope that its message will lead them to faith in Christ. After all, that is the purpose of the book. See John 20:31. For Christians, the Gospel of

John is a source of much truth about our Lord and the Gospel But it is much more than that It is an opportunity for us to follow Him as we read and to identify with the disciples as their knowledge of Him continues to expand It is our opportunity to get to know the heart of the Savior and to fellowship with Him through His Word If men of old found their hearts set on fire as they listened to Him teach in person Luke 24 32 so we will find our hearts warmed as we seek to listen to Him through this Gospel I challenge you to join me in making the Gospel of John the subject of your study May God use it to help you see and serve Jesus Christ as the Lamb of God who takes away the sin of the world John 1 29
