**Deadly Harvest Level 6 Audio Cassette Set (3 Cassettes)** Carolyn Walker, 2000-03-23 Cambridge English Readers is an exciting new series of original fiction specially written for learners of English Graded into six levels from elementary to advanced the stories in this series provide easy and enjoyable reading on a wide range of contemporary topics and themes Chief Inspector Jane Honeywell is a city detective in a sleepy country town who wonders why she's moved there But then the rural peace and quiet is suddenly disturbed by a particularly horrible murder and Jane starts the dangerous pursuit of the killer or killers The cassette's contain a recording of the full text of the book The Nixon Tapes: 1971-1972 (With Audio Clips) Douglas Brinkley, Luke A. Nichter, 2014-08-12 An enhanced edition of this fascinating collection of White House transcripts including audio clips of some of the most newsworthy conversations San Francisco Chronicle This treasure trove of transcripts documents two years of Richard Nixon's presidency and takes you directly inside the White House through the famous and infamous Nixon White House tapes that reveal for the first time the president uncensored unfiltered and in his own words The Boston Globe President Nixon's voice activated taping system captured every word spoken in the Oval Office Cabinet Room other key locations in the White House and at Camp David 3 700 hours of recordings between 1971 and 1973 Yet less than five percent of those conversations have ever been transcribed and published Now thanks to historian Luke Nichter's massive effort to digitize and transcribe the tapes the world can finally read an unprecedented account of one of the most important and controversial presidencies in US history This volume of The Nixon Tapes offers a selection of fascinating scenes from the period in which Nixon opened relations with China negotiated the SALT I arms agreement with the Soviet Union and won a landslide reelection victory All the while the growing shadow of Watergate and Nixon's political downfall crept ever closer The Nixon Tapes provides a never before seen glimpse into a flawed president's hubris paranoia and political genius essential for students of the era and fascinating for those who lived it Kirkus Reviews starred review
