What defines a marriage What are the ties that bind It cannot only be a question of love If not love then what keeps a marriage or relationship together Is it a matter of knowledge of kindness or simply the familiarity of a long road traveled together If Not Love is a candid exploration of the lives of six women who unknowingly are all connected to one another In this moving debut novel each one must confront and accept an uncomfortable reality and recognize what their relationships teach them about themselves The truths of their marriages are far from an idealization of love instead they carry with them an understanding of what it is to be a wife a mother a lover For Sarah it is not just love but rather a brave commitment to the ties that bind the oath she swore to and honors even in the face of temptation and desire Kate Sarah's best friend understands that she would rather be alone than not loved whereas Isobel Kate's mother reflects in her widowhood on the infidelity she accepted and possibly even encouraged Martha now in a retirement home cherishes her affair with Isobel's husband as the defining moment of her life Martha's nurse Sheila is in an unconventional marriage but one that is shown to be enduring and with its own integrity And finally there is Judith who is the most tormented of all and who must confront old demons before she can face life boldly In a rich evocative narrative Kay Langdale interweaves the complexities of love and marriage with a rare maturity and vision If Not Love is subtle and moving and dark and painful at times But it is ultimately a celebration of the journey each woman makes both within her heart and within her marriage It shows how individuals can make small bold actions that transform their emotional history A well-crafted story of individual and mutual empowerment If Not Love displays a breadth of understanding of female honesty in an engrossing and perceptive debut novel International Praise for the Unusually Powerful Debut Novel by Kay Langdale Nominated for the 2007 Romantic Novel of the Year Award UK Affecting first novel celebrates frankly and subtly the checks and balances of marital life The Sunday Times Langdale's
