in the chapter that details finding God in Art God as Artist the reflections relate to God as artist painter musician and writer and the examples of art music and writing are drawn from everyday life Specifically the art work was available to view at the local art gallery NGI at the time of writing the four pieces of music are easily accessible online as are the two poems It is hoped that this book will aid the reader in their prayer life and help them to experience God in ordinary life by exploring usual and unusual images of God
