

THE OXFORD BOOK OF
AUSTRALIAN
RELIGIOUS VERSE

EDITED BY KEVIN HART

The Oxford Of Australian Religious Verse

Dominic Head

The Oxford Of Australian Religious Verse:

The Oxford Book of Australian Religious Verse Kevin Hart, 1994 This wide ranging anthology collects a wealth of Australian religious poetry It reveals Australia s religious imagination to be both rich and strange encompassing Aboriginal chants and Christian longings Jewish midrashim and Taoist meditations Unique to this volume Hart includes moments of doubt and disbelief to show how atheism too can be a powerful religious phenomenon

The Cambridge History of Australian Literature Peter Pierce, 2009-09-17 Draws on scholarship from leading figures in the field and spans Australian literary history from colonial origins indigenous and migrant literatures as well as representations of Asia and the Pacific and the role of literary culture in modern Australian society

Christian Mysticism and Australian Poetry Toby Davidson, Australian poetry is popularly conceived as a tradition founded by the wry secular and stoic strains of its late nineteenth century bush balladeers Adam Lindsay Gordon Henry Lawson and Banjo Paterson consolidated into a land based vigour in publications such as the *Bulletin* Yet this popular conception relies on not actually consulting the poetry itself which for well over one hundred and fifty years has been cerebral introspective feminine and highly even experimentally religious This book casts Australian poetry in a new light by showing how Australian Christian mystical poetics can be found in every era of Australian letters how literary hostilities towards women poets eroticism and contemplation served to stifle a critical appreciation of mystical poetics until recent decades and how in the twentieth century one Australian Christian mystical poet began to influence another and share their appreciations of Dante Donne Traherne Blake Wordsworth Bront Rossetti Hopkins Yeats Eliot and Lowell

The Oxford Book of Australian Religious Verse Kevin Hart, 1994 Paperback issue of an anthology first published in 1994 Australian poets reflections on spirituality life and death from a wide range of religious orientations including Christian Aboriginal Asian atheist and Jewish Poems are listed in alphabetical order of authors Contains an introduction and index of themes

Australian Poetry Paul Kane, 1996-01-01 This book offers a comprehensive and original reading of Australian poetry from the colonial period to the present through the dual lenses of Romanticism and negativity Paul Kane argues that the absence of Romanticism functions as a crucial presence in the poetry of all the major Australian poets This absence or negativity is both thematic and structural and Kane s scrupulous analyses uncover important relations between Romanticism and negativity Chapters on nine individual poets explore and substantiate the theoretical claims informed by the work of contemporary critics of Romanticism and by various philosophers of negativity These chapters can serve as a series of self contained readings of Australian poets for the use of students scholars and informed general readers Australian Poetry is unique in its sustained argument and theoretical sophistication

Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 Post Colonial Literatures in English together with English Literature and American Literature form one of the three major groupings of literature in English and as such are widely studied around the world Their significance derives from the richness and variety

of experience which they reflect In three volumes this Encyclopedia documents the history and development of this body of work and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **Heaven in Ordinary** David Jasper,2018-11-29 Heaven in Ordinary is like a love affair with poetry that engages with religious questions for good or ill concerned with five poets who are haunted by God Poets in times of great faith and times of doubt have expressed for us their sense of both the presence and the absence of God in language that is sometimes almost sacramental in its weight of beauty love fear anger or despair The poets considered here all relate in some way to the traditions of Anglicanism through the centuries reflecting both a common humanity and a wide breadth of human experience as it struggles with God Heaven in Ordinary is deliberately autobiographical in approach as it is grounded in David Jasper's own lifetime experience of reading poetry since his school years and over four decades as a priest The poets he so beautifully discusses have related both positively and negatively to the Christian faith and the Anglican tradition Some are deeply religious others are haunted by God and the divine mystery
