The Palestinians Victims Of Expediency:

The Palestinians, Victims of Expediency Desmond Stewart, 1982 **Expedient Identity** Raphael Israeli, 2020-06-19

The twenty percent Arab Palestinian minority in Israel which enjoys officially equal rights refuses to recognize and accept the concept of a Jewish Zionist state Even though Israel is where Palestinians live they strive to misuse Israeli democracy allowing their representation of fifteen MK or Members of Parliament to subvert the legitimacy of the Israeli state and to totter it This would allow them to create a bi national Jewish Arab country where Arabs can veto anything Jewish or Zionist in its symbols or regime But since the Jewish majority is adamant in maintaining the Jewish state established more than seven decades ago the Arabs who cannot reconcile their present situation will have to choose eventually between living in permanent friction and frustration or restarting a new life in one of the surrounding 22 Arab or 57 Muslim countries where their likely adaptation would be much smoother and seamless One major figurehead mentioned in the book is MK Ahmed Tibi who despite being the darling of the liberal Israeli media often adopts extremist anti Israeli views and claims that Israel incites against his nation
