Jet, 1976-12-16 The weekly source of African American political and entertainment news Ink-stained Amazons and Cinematic Warriors Jennifer K. Stuller, 2010-01-30 From Wonder Woman to Buffy Summers Emma Peel to Sydney Bristow Charlie's Angels to The Powerpuff Girls Superwomen are more than just love interests or sidekicks who stand by their Supermen In her new book Stuller shows how the female hero in modern mythology has broken through the boy's club barrier of tradition and reveals the pivotal role of high heeled crime fighters in popular culture Featuring spies and sexuality daddy's girls and super mothers this is a comprehensive engaging and thought provoking guide to female detectives meta humans and action heroines as well as their creators directors performers and consumers The book also includes a glossary of modern mythic women from Aeon to Zoe as well as a foreword by acclaimed cultural commentator Roz Kaveney author of Superheroes Capes and Crusaders in Comics and Films published by I B Tauris April 2008 Divas on Screen Mia Mask, 2010-10-01 This insightful study places African American women's stardom in historical and industrial contexts by examining the star personae of five African American women Dorothy Dandridge Pam Grier Whoopi Goldberg Oprah Winfrey and Halle Berry Interpreting each woman's celebrity as predicated on a brand of charismatic authority Mia Mask shows how these female stars have ultimately complicated the conventional discursive practices through which blackness and womanhood have been represented in commercial cinema independent film and network television Mask examines the function of these stars in seminal yet underanalyzed films She considers Dandridge's status as a sexual commodity in films such as *Tamango* revealing the contradictory discourses regarding race and sexuality in segregation era American culture Grier's feminist camp performances in sexploitation pictures *Women in Cages* and *The Big Doll House* and her subsequent blaxploitation vehicles *Coffy* and *Foxy Brown* highlight a similar tension between representing African American women as both objectified stereotypes and powerful self defining icons Mask reads Goldberg's transforming habits in *Sister Act* and *The Associate* as representative of her unruly comedic routines while Winfrey's daily television performance as self made self help guru echoes Horatio Alger narratives of success Finally Mask analyzes Berry's meteoric success by acknowledging the ways in which Dandridge's career made Berry's possible The A to Z of African American Cinema S. Torriano Berry, Venice T. Berry, 2009-09-02 On 4 July 1910 in 100 degree heat at an outdoor boxing ring near Reno Nevada film cameras recorded and thousands of fans witnessed former heavyweight champion Jim Jeffries reluctant return from retirement to fight Jack Johnson a black man After 14 grueling rounds Johnson knocked out Jeffries and for the first time in history there was a black heavyweight champion of the world At least 10 people lost their lives because of Johnson's victory and hundreds more were injured due to white retaliation and wild celebrations in the streets Public screenings received instantaneous protests and hundreds of cities barred the film from being shown Congress even passed a law making it a federal offense to transport moving pictures of prizefights across state lines and thus the most powerful portrayal of a black man ever recorded on film

Historical Dictionary of African American Cinema S. Torriano Berry, Venise T. Berry, 2015-05-07 As early as 1909 African Americans were utilizing the new medium of cinema to catalogue the world around them using the film camera as a device to capture their lives and their history The daunting subject of race and ethnicity permeated life in America at the turn of the twentieth century and due to the effect of certain early films specific television images and an often biased news media it still plagues us today As new technologies bring the power of the moving image to the masses African Americans will shoot and edit on laptop computers and share their stories with a global audience via the World Wide Web These independently produced visions will add to the diverse cache of African American images being displayed on an ever expanding silver screen This wide range of stories topics views and genres will finally give the world a glimpse of African American life that has long been ignored and has yet to be seen This second edition of *Historical Dictionary of African American Cinema* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1400 cross referenced entries on actors actresses movies producers organizations awards and terminology this book provides a better understanding of the role African Americans played in film history This book is an excellent access point for students researchers and anyone wanting to know more about African American cinema
