The Parklands of Kent John Talbot White,1976 Parkland Vincent Bugliosi,2013-09-23 An analysis of JFK s assassination and its surrounding conspiracy theories draws on forensic evidence key witness testimonies and other sources to explain what really happened and why conspiracy theories have become so popularized **Country Walks** Time Out Guides Ltd,2011 This volume has been fully revised and updated It features 52 walks within easy reach of London one for every week of the year They take you through glorious countryside up hills and along river valleys to historic sights and into charming small towns and villages all on scenic footpaths with a minimum of road walking **Dickens's Kent** Peter Clark,2024-06-27 A geographical narrative of Charles Dickens s life in Kent Few novelists have written so intimately about a city as Charles Dickens wrote about London but he was intimately connected to Kent more than any other part of Britain Perhaps Kent meant more to him than the capital He had an idyllic childhood in Chatham and Kent features in his first works of fiction Sketches by Boz and The Pickwick Papers and in his favorite novel David Copperfield In his last ten years he wrote two novels with strong Kentish themes Great Expectations and The Mystery of Edwin Drood He had his honeymoon outside Gravesend and often spent the summer months in Broadstairs In 1856 he bought Gad s Hill Place near Rochester and died there in 1870 Dickens s Kent begins with the description of a walk from London to Dickens s main residence Gad s Hill Place before taking the reader to areas in Kent most closely associated with his life and work the Medway Towns and their surroundings Thanet and East Kent and finally Staplehurst the scene of the railway accident that nearly killed him Jane Austen's Garden Molly Williams,2025-03-11 An elegantly illustrated celebration of Jane Austen s life and literature as told through the flowers plants and landscapes that inspired her Through explorations of the botanical inspirations and symbolism in Austen s work and personal life as well as historical information about the gardens and landscapes of the Regency Era Jane Austen s Garden will transport readers back in time to the lush English landscape of the early 1800s Woven throughout are DIY projects to help you create a home garden worthy of a surprise visit from Lady Catherine de Bourgh or maybe just give your dining table a bit of historical flair Accessible entertaining and enhanced by the enchanted illustrations of celebrated artist Jessica Roux Jane Austen s Garden is a fun twist on a familiar subject that will delight plant lovers and Janeites alike Lullingstone Park ,1983 *Royal Landscape* Jane Roberts,1997-01-01 The parks that surround England s Windsor Castle were established in the Middle Ages for the protection of the royal deer With the assistance of documents in the Public Record Office and the Royal Archives and works of art in the Royal Collection Jane Roberts has created an extensive and beautifully illustrated history of this royal acreage 200 color 300 b w illustrations **A World of Gardens** John Dixon Hunt,2014-05-14 A Japanese garden is immediately distinct to the eye from the traditional gardens of an English manor house just as the manicured topiaries of Versailles contrast with the sharp cacti of the American Southwest Though gardening is beloved the world over the style of gardens themselves varies from region to region determined as much by

culture as climate In this series of illustrated essays John Dixon Hunt takes us on a world tour of different periods in the making of gardens Hunt shows here how cultural assumptions and local geography have shaped gardens and their meaning He explores our continuing responses to land and reworkings of the natural world encompassing a broad range of gardens from ancient Roman times to early Islamic and Mughal gardens from Chinese and Japanese gardens to the invention of the public park and modern landscape architecture A World of Gardens looks at key chapters in garden history reviewing their significance past and present and tracing the recurrence of different themes and motifs in the design and reception of gardens throughout the world A World of Gardens celebrates the idea that similar experiences of gardens can be found in many different times and places including sacred landscapes scientific gardens urban gardens secluded gardens and symbolic gardens Featuring two hundred images this book is a treasure trove of ideas and inspiration whether your garden is a window box a secluded backyard or a daydream
