The Passion and Death of Our Lord Jesus Christ Alban Goodier, 2017-03-31 Archbishop Alban Goodier S J fills in the many blanks in the historical narratives about the Passion of Jesus Christ with a riveting account based on history culture and his own deep spiritual insights He brings to life and unifies the many observations emotions and subtle and not so subtle actions that revolve around the person of God the Son as he faces his most tragic and triumphant moment The author s unique approach intersperses Scripture accounts with the commentary of an incisive narrator who sifts and judges from the span of hundreds of years He draws from the obvious as well as the obscure and finds supernatural meaning in the most mundane actions that surround the suffering Christ In the hands of this writer the Lord s few words accompanied by the author s commentary challenge contemporary believers as much as they did those who first followed in the footsteps of Christ and his apostles The author was born in 1869 in Lancashire northern England and educated at the prominent Catholic college Stonyhurst which has been the source of many English Catholic politicians intellectuals and business people After a degree from the University of London he was ordained a Jesuit in 1903 He served as archbishop of Bombay from 1919 to 1926 and returned to England to write and serve as a chaplain until his death in 1939

The Passion of Christ, Strengthen Us... Elmer M. Abear, 2004 As a result of our insensitivity to the will of God Mel Gibson s movie *The Passion of the Christ* may perhaps awaken our spiritual values and challenges us about the reality of heaven and hell in the afterlife *The Passion of*

Christ Strengthen Us written by Dr E M Abear tells us that if we have for a moment what St Faustina saw in her visions the brutalities done to Christ in Mel Gibson's film may pale in comparison to how sin offends God. However the image of Christ on the cover gives us hope of His infinite divine mercy and introduces us to the Kingdom of Heaven. What sets Dr Abear's book apart from other writers is his scientific explanation about the death of the human blood in relationship to Christ's own divinity as He dies on the cross. The entire book tries to supplement what movies about Christ cannot fully articulate in words. Thus after perhaps reading this scholarly dissertation of love and obedience of sin and forgiveness of Pope John Paul II's joy and suffering one may hopefully arrive to a better understanding and appreciation about The Passion of Christ. Book Review PASSION OF CHRIST Strengthen Us Reviewed by J R Pingol. The main message of this book is to make us understand that The Passion of Christ is the autobiography of our own life. The book starts by defining what is genuine love. The freedom of love according to the author is limited within the confine of God's will by which we all are obligated as creatures to obey His Ten Commandments. Since we often fail to obey God's ten commandments priests, nuns, lay persons alike in our journey through life God bestows upon us the gift of our conscience which the author constantly makes references to Pope John Paul II's concept. Since conscience is often subjective to the will of man there are failures and successes when tested in a world that has gone increasingly secular. Forgiveness and generosity chapter 3, 4 heal the wounds of our misdeeds so we won't lose hope in our search for perfect happiness. By this the author introduces to us the kingdom of heaven chapter 5. In this chapter we should not miss his beautiful insight of heaven as based from Christ's teaching nor his practical understanding of Christ's eight beatitudes in relationship with our daily struggle in life. Having said that Dr Abear points out the necessity of our knowing the ugliness of sin chapter 7 so that no matter how we have sunk into the abyss of sins the two rays from the heart of Jesus see cover would show to us the abundance of His divine mercy particularly available by those who would repent before He comes as a Judge. Chapter 12 opines with a new idea about the Passion of Christ which sets Dr E Abear's book apart from other writers. He writes about the physiology of human blood how it separates into blood and serum and its scientific implication to the blood and water mentioned in the bible. In the absence of this scientific explanation for centuries most theologians had regarded the divinity of Christ as a mystery. No man in history has lived long after the blood in his heart turns into water and blood. Indeed the suffering of Christ in terms of our sinfulness is so brutal that it dwarfs the brutalities in Mel Gibson's movie. Mel Gibson is right Christ dies to redeem the sins of humanity past present and future regardless of religion color or creed. Reflecting on the crucified Jesus reveals to us the autobiography of our own life. The 7th canticle of conversion concludes the book. Out of your divine mercy oh Christ Comes my little faith Which out of my unbelief you deliver me from evil and embrace me for a new start.
