Bess, 2009 **The Mother of the Sri Aurobindo Ashram** Patrick

Beldio, 2024-12-15 The Mother of the Sri Aurobindo Ashram Co Creator of the Integral Yoga analyzes the contributions of the Mother n e Mirra Alfassa 1878 1973 to the Integral Yoga that she and Sri Aurobindo n Aurobindo Ghose 1872 1950 co created for his ashram Scholars have ignored Mirra for Aurobindo which prevents a full understanding of their spiritual practice Scholars have also avoided examining work Aurobindo produced after they began their partnership in 1920 until his death in 1950 and privileged the written output in his journal Arya from 1914 to 1921 In this initial fertile period he put forth his innovative teaching about what he called the Supermind an emergent human faculty that he said would manifest a new humanity and a new earth through Mirra's body Mirra claimed that after his death in 1956 this manifestation happened as he foretold Mirra's work in the ashram from his death until hers in 1973 reveals important ways that she both fulfilled and changed Aurobindo's initial vision These developments are chiefly based on her experiences of mental dissolution while her body gained a new supramental form and consciousness **A Guide to the Thirty-Seven Practices of a Bodhisattva**

Ngawang Tenzin Norbu, 2020-08-11 A fresh translation and commentary to Tibet's most famous text on living like a bodhisattva Who are bodhisattvas and what do they practice In the fourteenth century the Tibetan Buddhist master Gyalse Tokm Zangpo answered these questions in a now classic teaching called the Thirty Seven Practices of a Bodhisattva This text consisting of inspiring verses distilling the entire Mahayana path of compassion continues to inspire modern day Buddhist

masters including His Holiness the Dalai Lama One of the most important commentaries on the Thirty Seven Practices is by the twentieth century master Dzatrul Ngawang Tenzin Norbu known as the Buddha of Dza Rongphu and is translated here along with associated meditation instructions for the first time Dzogchen Ponlop Rinpoche who requested this translation by Christopher Stagg provides an informative overview to the history of the text and commentary introducing the reader to the world of one of Tibet s most widely studied texts

The Return of the Mother Andrew Harvey,2013-08-20 A profound exploration of the sacred feminine across major world religions and traditions offering spiritual insights and transformative wisdom to reconnect with the Divine Mother within Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994 The Return of the Mother is a profound journey into the heart of the Divine Mother In this comprehensive and groundbreaking work mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions Hinduism Islam Sufism Buddhism Taoism and Christianity and in aboriginal and indigenous wisdom traditions Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind The Return of the Mother offers a radical new perspective balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world Only by cultivating a direct respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature the body sexuality and the details of human life and generate the energy and compassion needed to reverse the course of destruction we have set the planet and all of life hurtling toward In lively question and answer sections Harvey further illuminates these vital issues and takes a strong stand against our dependence on gurus and masters proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine and recreate a sacred life in the world

People of the Bear Mother T. D. Austin,2012-08 The most powerful shaman of the People of the Bear Mother invites a young woman to take her soul s great adventure by painting a new piece of animal art on the walls in the deepest chambers of the awesome Great Cave The time has come for Little Bear to make the life altering choice to overcome her fear of the terrifying old shaman and in doing so unalterably change all the lives her soul will subsequently experience even as her lion eye reappears in each lifetime to identify her avatar But before she may embark on her hero s journey she must be initiated as hunter and then as Seer through trials ordeals and the revelations of her people s mythology expressed in the art of the Cave The tale builds to an unexpected climax as one soul experiences many lifetimes in a hunting culture where being born female or male homosexual or heterosexual young or old are equally valid ways of being human Inspired by the work of Joseph Campbell and the artwork of France s 35 000 yearold Chauvet Cave the novel takes a fresh look at and is a new take

on the life ways and religion of our earliest ancestors through Little Bear's encounters with shamans hunters avatars and painted caves This story reveals that the spiritual messages hidden within this magnificent incredibly ancient art are the same metaphysical beliefs of the New Age and the same universal human truths at the heart of every world religion and mystical philosophy 2011 Book Competition Finalist Awards USA Best Book Awards for New Age Fiction IBA for Chick Lit Women's Fiction IBA for Gay Lesbian Fiction **At the Feet of Mother Meera** Sonia L.
