Zak, 2022-01-26 In Robert Frost's Visionary Gift Mining and Minding the Wonder of Unexpected Supply William F Zak provides groundbreaking analysis of well over one hundred of Frost's lyrics considering each poem as an interrelated portion of the poet's overarching constellation of intention Beyond biography this book offers extended close readings of Frost's oeuvre building its case incrementally from deftly examined particulars Zak discusses how the pastoral mode Frost adopts is no depleted homespun idiom retreating from modernism's complexities but a self conscious determination to assume the prophetic mantle from his predecessors Shakespeare Milton Wordsworth Emerson and Thoreau Frost's version of pastoral represents no escape from life's stresses but the most constructive and life sustaining means to address life's struggles head on in both sense of that last

phrase This book makes a case for Frost as America's preeminent philosophical poet The unfortunate effect of Frost's early detractors claim that he was merely an ironic and equivocal anecdotalist has for too long relegated his work to the second tier of the modernist poetic pantheon This study by contrast supports Robert Graves' claim for Frost as the first American poet who could be honestly reckoned a master poet by world standards The Wayward Bride Anna Bradley, 2019-02-26 In only six weeks Isla Ramsey is due to marry Henry Northrup the sixth Earl of Sydney But she remains haunted by memories of the dashing Hugh Courtney the Marquess Pierce The handsome aristocrat had hinted at forever and then tossed her aside leaving Isla with few viable options Now as she awaits her new fiancé's arrival from London she rides her horse past Hugh's estate at Hazelwood every day pining for a man who was never truly hers Hugh Courtney may have left Isla's life but he can't erase her from his thoughts When he rescues her from a sudden snowstorm they are forced to take shelter together at his private estate In such close quarters there is no escaping each other Yet no man wants a reckless wife or a woman promised to another As fate draws Isla further into his world Hugh vows to keep her out of his bedchamber However some vows are meant to be broken
