Kabala

קבלה

The Kabala originated as an inner esoteric teaching of Judaism. It is a method of teaching which was passed from Master to disciple, from teacher to pupil. Kabala is the Hebrew word meaning "to receive" inner wisdom; "from mouth to ear", an oral tradition. There is no single book called the Kabala, rather it is a body of knowledge. Two primary texts are: *The Sepher Yetzirah* "The Book of Formation" and *The Zohar* "The Book of Splendor". Various spellings can be found in referring to the Kabala / Kabbalah. These variations correspond with different historical periods and traditions.

Can be integrated as a spiritual practice. Kabala is a spiritual practice that can be integrated as a spiritual practice. Kabala is a spiritual practice that can be integrated as a spiritual practice.

THE TREE OF LIFE

The term "Tree of Life" was popularized during the Middle Ages. The ten Sephiroth are "emanations," or "spheres". Each circle, Sephiroth = a vessel, and represents an energy. Energies across from each other balance one another. Severity without Mercy is cruelty. Mercy without Severity is weakness. The Tree of Life is a visual representation of the path of return to God. By ascending from bottom to top in reverse order (10 back to 1) through the Sephiroth; or by a more direct path through the middle pillar. The Tree of Life can be used as a template for a multitude of systems that give understanding and thus allow one to arrange and order life in the manner of a filing cabinet.

David Sheinkin

The Paths Of The Kabala:

The Path of Kabbalah Michael Laitman, Rav Michael Laitman, 2005-01-01 Kabbalists state that there is no reality at all but something called His Essence the Upper Force and this is what we perceive as our world As uncanny as it sounds this notion hides in its wings the very prospect of freedom for every person for every nation and for the entire world The structure and the perception of reality are the surface of this book But the story of humanity or more accurately of the human soul is the undercurrent that drives the reader forward in this book It is about you about me about all of us This book is about the way we were the way we are the way we will be and most importantly it is about the best way to get there In this neatly structured composition every part speaks of a different aspect of Kabbalah It starts with our perception of reality our perception of the Creator and the evolution of our soul in the spiritual worlds including explanatory drawings The book also clears up misconceptions about Kabbalah and explains in plain words how to experience the spiritual realm of our lives
