The Pennine Way Tom Stephenson, Great Britain. Countryside Commission, 1969 **The Pennine Way - the Path, the People, the Journey** Andrew McCloy, 2016-07-31 This book presents a portrait of the Pennine Way Britain's oldest and best known long distance footpath tracing its remarkable history through the experiences of walkers past and present As Andrew McCloy walks the 268 mile route from the Derbyshire Peak District to the Scottish borders he discovers how the Pennine Way set a benchmark for personal challenge and adventure and how reconnecting with wild places and the unhurried rhythm of the long walk continue to provide a much needed antidote to our busy modern age The resilience of the long distance walker is mirrored in the path's fascinating history the initial struggle for access battles to tame the bogs later challenges of path erosion and the fluctuating circumstances of the rural hostel Above all else however this is a book about Pennine Way people from crusading ramblers to resourceful B B landladies hard working rangers to fanatical trail walkers Their conversations and memories are woven into the narrative to give an account of the changing fortunes of the path and its special significance Personal thoughtful and often humorous The Pennine Way the Path the People the Journey is an exploration of our desire for challenge and adventure the stimulation of wild places and how a long journey on foot through our own country still resonates today It will appeal to people who have walked or are preparing to walk the Pennine Way as well as to those with an interest in the history and legacy of this iconic path **Pennine Way North** Tony

Pennine Way Stephen Platt,2020-07-08 The Pennine Way is a tough old walk It s about 270 miles long 435 km was the first National trail in England and is one of the most famous long distance walks I did it a couple of weeks before I should have during the Covid pandemic of 2020 when the guidelines encouraged outdoor exercise but advised against overnight stays away from home There was no accommodation or catering en route and few shops open I arranged two poste restante food drops at post offices in Alston and Hawes at approximately one third and two thirds of the way That meant I had to wild camp and carry food for a week Lockdown during the Covid pandemic was a great time to do the Pennine Way No one else was on the walk In fact hardly anyone had done it for months and nature had reclaimed the way and at times the path was almost indistinct The guidelines that everyone should stay at home meant that the villages and settlements I passed through were deserted It was like a sci fi movie when everyone has disappeared When I got back people asked me what was the best bit The problem is that so much happens in the 17 days of a walk like this so much that is singular and arresting But with the repetition of walking each day over similar ground it becomes difficult for the mind to encompass and remember Alfred Wainright who devised the walk in 1938 said he wrote his pictorial companion for himself so he could relive the walk back in the comfort of home In part that s what motivated me But I also needed to make sense of what I d done to map it out and to fit the parts together as a whole
