Sir John Brunner Radical Plutocrat 1842 1919

G. R. Searle

Sir John Brunner Radical Plutocrat 1842 1919:

Sir John Brunner Stephen E. Koss,1970-10-02 Sir John Brunner the son of a Swiss schoolmaster who settled in England was co founder of Brunner Mond and Company one of the great English chemical firms of the nineteenth century and the predecessor of ICI Always interested in politics Brunner entered Parliament after his industrial activities had already won for him a reputation as the Chemical Croesus Unlike most wealthy men of his time he was a staunch supporter of the Liberal Party and a patron of its Radical causes Irish Home Rule disestablishment land reform welfare legislation and naval disarmament He achieved prominence and wide influence in politics though never Cabinet rank and presided over the National Liberal Federation in the crucial years before and during the First World War Although Brunner was a paternalistic employer opposing socialism one of his last political gestures was his support of a Labour candidate in the coupon election of 1918 Professor Koss study is based on a wide range of research including extensive use of letters and other papers in the possession of the Brunner family

Radical Journalist Alfred F. Havighurst,1974-09-05 The first study of the career of H W Massingham an outstanding journalist early in the twentieth century when editors were often ranked equal in significance with ministers of state Massingham featured most significantly in the history of the press as editor of the Star the Daily Chronicle and finally the Nation Professor Havighurst demonstrates Massingham s central position by arguing that he played a more important role in the formation of progressivism in the period 1888 92 than even the Fabian Society Massingham s clash with the Fabians is examined along with his gradual disillusionment with Rosebery his influence upon important questions of public opinion his connection and his subsequent contact with Ramsay MacDonald The influence of journalists is frequently alleged but is often unproved this biography provides a detailed assessment of the impact of a major journalist and is a complete and fascinating account of an extremely important political figure It will appeal to specialists in political and social history and the history of journalism

Liberalism and Naval Strategy Bernard Semmel,2023-05-26 Liberalism and Naval Strategy 1986 examines the role that liberalism played in shaping the naval strategy of the Pax Britannia Liberalism was linked to commercial interest and the devotion of the middle classes to peaceful commerce and their suspicion of force as government policy helped to inform critical choices The traditional British naval strategy of the mercantilist era persisted into the early nineteenth century when the Royal Navy s policing of the seas against piracy and the slave trade antagonized trade rivals particularly America By the 1850s Britain granted immunity to neutral shipping after much debate with some of the century s leading thinkers including Mill and Marx taking prominent parts in the naval controversies This book examines these events as well as the writings of contemporary naval strategists including the Colomb brothers It also discusses the strategic posture of the Admiralty and its opponents before and during the war against Germany in 1914

The Decision to Disarm Germany Lorna S. Jaffe,2020-01-08 Originally published in 1985 The Decision to Disarm Germany offers a fresh approach to Britain s First World War and Paris Peace Conference policy on the question of German military disarmament It

offers interpretations based on extensive research into unpublished records and private papers and provides important new conclusions about British policy. The book shows the interaction of domestic concerns and strategic considerations in the wartime development of British thinking on the issue of post war German disarmament and in the post Armistice formulation and implementation of Britain's German disarmament policy. It establishes the crucial interrelationship in British thinking and policy between German disarmament and general disarmament. It also shows the interwar consequences of wartime attitudes and peace conference policy.

Modern England 1901-1970 Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books, articles and standard texts on England, Ireland, Scotland, the Commonwealth and the colonies up to 1970. This handbook will serve as a useful guide to scholars, teachers at all levels, advanced students and the general reader interested in examining the period in some depth.

The Liberal Party and the Economy, 1929-1964 Peter Sloman, 2015 *The Liberal Party and the Economy 1929-1964* explores the reception, generation and use of economic ideas in the British Liberal Party between its electoral decline in the 1920s and 1930s and its post war revival under Jo Grimond. Drawing on archival sources, party publications and the press, this volume analyses the diverse intellectual influences which shaped British Liberals' economic thought up to the mid twentieth century and highlights the ways in which the party sought to reconcile its progressive identity with its longstanding commitment to free trade and competitive markets. Peter Sloman shows that Liberals' enthusiasm for public works and Keynesian economic management, which David Lloyd George launched onto the political agenda at the 1929 general election, was only intermittently matched by support for more detailed forms of state intervention and planning. Likewise, the party's support for redistributive taxation and social welfare provision was frequently qualified by the insistence that the ultimate Liberal aim was not the expansion of the functions of the state but the pursuit of ownership for all. Liberal policy was thus shaped not only by the ideas of reformist intellectuals such as John Maynard Keynes and William Beveridge but also by the libertarian and distributist concerns of Liberal activists and by interactions with the early neoliberal movement. This study concludes that it was ideological and generational changes in the early 1960s that cut the party's links with the New Right, opened up common ground with revisionist social democrats and re-established its progressive credentials.

Property and Politics 1870-1914 Avner Offer, 1981-09-24 This book presents an innovative study on the history and impact of landed property, urban development and taxation between 1870-1914.

The Origins of Company Law Victoria Barnes, Jonathan Hardman, 2024-12-26 This book provides histories of company law, uniting a variety of approaches from law, business and management, economics and history. What were the origins of company law? How did it begin? Why did it change? There is no single answer to these questions. Each discipline and sub-discipline has a different approach and method that brings different facets of study to the fore. This multidisciplinary endeavour is immensely valuable for debates taking place now among policy makers in the UK and US about returning to historic modes of company regulation. The book brings together Anglo-American scholarship that will not only shed greater light on the history of

company law but also influence contemporary debates about our ability to return to or learn from the past Historical research has great value here because it not only generates new insights into the evolution of present legal rules but also corrects misunderstandings and misapprehensions about them The book shows how this body of law developed to become the rules with which we are now familiar It showcases antecedents of present debates reveals regulatory lessons from previous legal regimes identifies instances of path dependency unpicks pivotal legal events and explains drivers for legal change The chapters re evaluate the history of company law and the knowledge gathered here will inform the law making and policy making agenda

Liberalism and Liberal Politics in Edwardian England George L. Bernstein, 2023-08-11 First published in 1986 *Liberalism and Liberal Politics in Edwardian England* makes a lively contribution to the historical debate over whether the Liberal Party was already threatened by decline before the First World War It challenges the current orthodoxy among historians of the Liberal Party arguing that neither the new liberalism nor the progressive alliance with Labour helped to make it more attractive to working class voters Dr Bernstein takes a wide view of liberal ideology and policies stressing that the new liberalism cannot be treated in isolation from traditional domestic and external policies He examines the crucial relationship between party leaders and constituency activists and argues that the party was more effective when the leadership could mobilize the activists in support of traditional domestic and foreign policies such as peace and retrenchment free trade education and temperance reform land reform the House of Lords and Irish Home Rule This book will be welcomed by both scholars and students of history and political science

Into The Crucible Jean M. Morris, 2018-03-18 This rich and well researched history of Widnes brings vividly to life the personalities and events of early days It traces the development of industry and the effects of immigration religion and sport on this fascinating social fabric This book offers a key to understanding the growth of one of the small but most important towns of the Industrial Revolution

The Liberal Unionist Party Ian Cawood, 2012-08-14 The Liberal Unionist party was one of the shortest lived political parties in British history It was formed in 1886 by a faction of the Liberal party led by Lord Hartington which opposed Irish home rule In 1895 it entered into a coalition government with the Conservative party and in 1912 now under the leadership of Joseph Chamberlain it amalgamated with the Conservatives Ian Cawood here uses previously unpublished archival material to provide the first complete study of the Liberal Unionist party He argues that the party was a genuinely successful political movement with widespread activist and popular support which resulted in the development of an authentic Liberal Unionist culture across Britain in the mid 1890s The issues which this book explores are central to an understanding of the development of the twentieth century Conservative party the emergence of a national political culture and the problems both organisational and ideological of a sustained period of coalition in the British parliamentary system

Across The Gap Jean M. Morris, 2016-11-07 An account of how in the wake of The Industrial Revolution a little known corner of rural England was transformed into an area of dense industrial activity The arrival of the alkali trade in Widnes and the subsequent explosion in

population changed the social structure of the area and created great divisions in society The indigenous communities who had lived and worked in time honoured rural occupations for generations were swallowed up by a growing workforce of migrant workers from all corners of Britain and Ireland As a consequence the social fabric of the area was irrevocably altered and the devastating effect of industry on the landscape and environment created huge problems This book allows us to see how a new unskilled workforce struggled to adapt to factory disciplines and routines as well as a new urban way of living

Patriots' Game Man Bun Kwan, 2016-11-21 When thinking about modern China's chemical industry forget not Fan Xudong so declared Mao Zedong publicly after 1949 Although Mao might have united front politics in mind when invoking Fan as a paragon of the national bourgeoisie why would the chairman praise a champion of private enterprise How did Fan Xudong and his colleagues build Yongli from scratch into one of the largest industrial conglomerates in modern China amid predatory foreign competition and domestic strife What were his secrets of success Drawing from company documents government archives and personal correspondences this book traces Yongli's birth growth nationalization and how Fan and his colleagues pursued a third path of national development between for profit private enterprise and state ownership A New England? G. R. Searle, 2005 G R Searle's narrative history breaks conventional chronological barriers to carry the reader from England in 1886 the apogee of the Victorian era with the nation poised to celebrate the empress queen's golden jubilee to 1918 as the war to end all wars drew to a close **A New England?** G. R. Searle, 2005-07-29 G R Searle's absorbing narrative history breaks conventional chronological barriers to carry the reader from England in 1886 the apogee of the Victorian era with the nation poised to celebrate the empress queen's golden jubilee to 1918 as the war to end all wars drew to a close leaving England to come to term with its price above all in terms of human life but also in the general sense that things would never be the same again This was an age of extremes a period of imperial pomp and circumstance with a political elite preoccupied with display and ceremony alongside the growing cult of the simple life the zenith of imperialism with its idealization of war on the one hand the start of the Labour Party a socialist renaissance and welfare politics on the other and a radical challenging of traditional gender stereotypes in the face of the prevailing cult of masculinity Under Professor Searle's historical microscope all the details of daily life spring into sharp relief Half forgotten figures such as Edward Carpenter Vesta Tilley and Sir Henry Campbell Bannerman take their place on stage beside Oscar Wilde the Pankhursts and Lloyd George Motoring and aviation to become such an intrinsic part of life within the next decades had their beginnings in this period as pastimes for the rich From the wretched slums of England's great cities to their bustling docks and factories from the grand portals of Westminster to the violent political challenges of the Ulster Unionists and the militant suffrage movement from Blackpool's tower and beach packed with holidaymakers to the trenches of the Western Front the energy creativity and often destructive turmoil of the years 1886-1918 are brought into focus in this magisterial history THE NEW OXFORD HISTORY OF ENGLAND The aim of the New Oxford History of England is to give an account of the

development of the country over time It is hard to treat that development as just the history which unfolds within the precise boundaries of England and a mistake to suggest that this implies a neglect of the histories of the Scots Irish and Welsh Yet the institutional core of the story which runs from Anglo Saxon times to our own is the story of a state structure built round the English monarchy and its effective successor the Crown in Parliament While the emphasis of individual volumes in the series will vary the ultimate outcome is intended to be a set of standard and authoritative histories embodying the scholarship of a generation

British Foreign Policy Under Sir Edward Grey F. H. Hinsley, 1977-09-15 First published in 1977 this book attempts a comprehensive and impartial account of British foreign policy from 1905 to 1916

Gentlemen Capitalists Howard L. Malchow, 1992 A Stanford University Press classic

Modern England, 1901-1984 Alfred F. Havighurst, 2004-07-08 The most comprehensive bibliography of printed books articles and standard texts on twentieth century England

Liberalism and Sociology Stefan Collini, 1979-07-05 In this wide ranging book Stefan Collini deals with the relationship between Liberalism and sociology in late nineteenth and early twentieth century Britain He discusses in particular the crucial contributions of L T Hobhouse the leading Liberal political theorist of the period who is also generally regarded as the Founding Father of British sociology Based upon extensive original research the book draws together themes from three fields which are normally pursued in historiographical isolation It examines the moral and intellectual inspiration of the New Liberalism which came to dominate Edwardian politics explores the nature of the systematic political philosophy in this period and shows how the contemporary understanding of sociology was bound up with attempts to provide a theoretical and historical grounding for the belief in Progress especially in opposition to Social Darwinist and other biological social theories Throughout the intellectual context necessary to a properly historical understanding of these ideas is reconstructed in detail and particular attention is paid to the structure of the moral and political discourse of the time

Liberal Government and Politics, 1905-15 I. Packer, 2006-04-27 This book is an innovative appraisal of Edwardian Liberalism and the 1905-15 Liberal governments Making extensive use of new archival research the volume identifies the major concerns of Liberals in the first two decades of the twentieth century and explores how policy making was related to conflicting definitions of Liberal ideology

Sir John Brunner Radical Plutocrat 1842 1919 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sir John Brunner Radical Plutocrat 1842 1919 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sir John Brunner Radical Plutocrat 1842 1919 has opened up a world of possibilities. Downloading Sir John Brunner Radical Plutocrat 1842 1919 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sir John Brunner Radical Plutocrat 1842 1919 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sir John Brunner Radical Plutocrat 1842 1919. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sir John Brunner Radical Plutocrat 1842 1919. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sir John Brunner Radical Plutocrat

1842 1919, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sir John Brunner Radical Plutocrat 1842 1919 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sir John Brunner Radical Plutocrat 1842 1919 Books

1. Where can I buy Sir John Brunner Radical Plutocrat 1842 1919 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
