[Have Sword, Will Travel](#) Garth Nix, Sean Williams, 2017-10-31 In this fast-paced tongue-in-cheek adventure from New York Times bestselling authors, best friends journey with a magical sword to save their kingdom. Publishers Weekly: It is strange enough that Odo and Eleanor have stumbled upon a sword in a dried-up river outside their village. It is even stranger that Odo is able to remove it from where it's buried. And it's remarkably strange when the sword starts to talk. Odo and Eleanor have unearthed Biter, a famous fighter from earlier times. By finding Biter, Odo instantly becomes a knight, a role he is exquisitely unsuited for. Eleanor, however, would make a perfect knight, but she's not the one with the sword. Finding Biter is only the start. Boy, girl, and sword must soon go on a quest to save their kingdom from threats in both human and dragon form in this new fantasy triumph from Garth Nix and Sean Williams. *The Lanny Budd Novels Volume One* Upton Sinclair, 2016-06-28 Upton Sinclair's Pulitzer Prize-winning series of historical novels brings the first half of the twentieth century dramatically to life. In *World's End*, the gathering storm clouds of World War I burst over Europe, forcing Lanning Lanny Budd, the young son of an American arms dealer, to put the innocence of youth behind him. His language skills and talent for decoding messages are in high demand. At his father's side, Lanny meets many important political and military figures, learns about the myriad causes of the conflict, and closely follows the war's progress. When the bloody hostilities conclude, Lanny joins the Paris Peace Conference as the assistant to a geographer asked by President Woodrow Wilson to redraw the map of Europe. From the rise of Fascism in Europe to the stock market crash on Wall Street, *Between Two Worlds* captures the drama, intrigue, and excitement of the Roaring Twenties. At the start of his career as an international art dealer, Lanny travels to Italy and witnesses the brutal charisma of Benito Mussolini. Meanwhile, in Germany, the failed Beer Hall Putsch led by Adolf Hitler's Nazi Party strikes an ominous note, foreshadowing the devastation to come. After two star-crossed love affairs, Lanny marries a wealthy heiress and chooses the United States with its booming economy as their home. But neither he nor those he loves can predict the financial disaster that will bring a decade of prosperity to an abrupt close. Winner of the 1943 Pulitzer Prize for Fiction, *Dragon's Teeth* brilliantly captures the nightmarish march toward the Second World War. In Germany to visit relatives, Lanny encounters a disturbing atmosphere of hatred and jingoism stoked by the Nazi Party and meets the group's fanatical leader, Adolf Hitler. But Lanny's gravest fear is the threat to his Jewish friends and family, a threat that impels him to risk his wealth, his future, and even his life in a courageous attempt to rescue his loved ones from a terrible fate. An astonishing mix of history, adventure, and romance, the Lanny Budd Novels are a testament to the breathtaking scope of Upton Sinclair's vision and his singular talents as a storyteller. **The Song of Arthur** James Douglas Cramer, 2001-06-17 *The Song of Arthur* set between

Mr. Crewe's Career Winston Churchill, 1908 Think that the problem of large corporations exercising undue influence in the political sphere is a recent phenomenon If so think again Mr Crewe s *Career* an eye opening historical novel set in the early twentieth century follows the efforts of the railroad industry to steamroll its way into state politics in New Hampshire This partly autobiographical political novel set in New Hampshire is a warning against the powers of the railroad interests to control elected government Churchill himself had run for governor just two years earlier and had met his defeat at the hands of the state s railroad lobby In the character of Humphrey Crewe a somewhat politically na ve comical figure who is running for governor Churchill drew a character similar to himself But Crewe is basically a minor figure there to offer comic relief but the main thrust of the story lies elsewhere The main characters actually are Hillary Vane the chief lawyer for the railroad company and major state political operator and his son Austen who represents reform Austen accuses his father of violating a nearly forgotten statute whereby the railroads were not to increase rates in exchange for the right to consolidate a ruling they have long ignored Churchill s real life reform concerns came to the fore right here as this was exactly what was

happening in New Hampshire at the time The battle between Austen and Hillary builds dramatically throughout the novel until Austen is encouraged by other reformers to run for governor But out of loyalty to his father he declines the nomination

The Quest for Myst Victoria Weaver-Morrow,2006-11 Long ago confusion seized the common folk as magickal creatures wreaked havoc upon their world by introducing magick the people did not understand Kingdoms were torn apart as evil wizards took over Now the peaceable people with delicate magick are being hunted and drained of their powers They must bring down the imposing evil forces if they hope to restore peace and calm in their land The prince of the commoner s realm Alexander of the North thought he had escaped this darkness until the death of his mother made him a warrior and a hero with a dark secret Even worse he s prone to making mistakes Promising his sister Victoria that she would be the new princess of the West is his first mistake the second is falling in love with Myst a fair maid from a misty pool But Myst is more than just a peasant and has power beyond those of the mighty wizard for whom she is an apprentice When Myst sacrifices herself to save the kingdom from war Alex gathers an incredible group of people to save her from the clutches of evil But will Alex s powerful secret come back to haunt him I was so taken in by Ms Victoria s prose storytelling abilities I found in The Quest for Myst a riveting captivating banquet of a tale from an author with an imagination not of this world To further the enjoyment just when I thought it safe to sit back and relax in the read she would drop these lines these witty pearls of thinking author s humor It is not often that I suggest books to others but with The Quest for Myst you simply cannot go wrong FW Bosworth Author Never Play Leapfrog with a Unicorn **Industrial Water Engineering** ,1968 **Pure-bred Dogs, American Kennel Gazette** ,1973 **Monthly Bulletin** New York Chamber of Commerce,1943
