and whose life touched so many Diary of a Nursing Sister on The Western Front,1914-1915 Anonymous,2024-02-13 Witness the heroism and sacrifices of nursing sisters on the Western Front through the poignant diary entries of an anonymous author Diary of A Nursing Sister on The Western Front 1914 1915 by Anonymous Enter the wartime world of the Western Front with the candid and moving Diary of A Nursing Sister on The Western Front 1914 1915 by Anonymous This diary offers a unique perspective on the First World War and the experiences of the nurses who tended to the wounded and dying soldiers The author s honest and poignant reflections make this book a must read for students of history and human nature Why This Book Diary of A Nursing Sister on The Western Front 1914 1915 is a powerful and candid account of one of the most significant events in modern history The anonymous author s insights and observations make this book a testament to the human experience and our resilience in the face of unimaginable adversity Anonymous an unknown wartime nurse provides a unique and compelling perspective on the events of the First World War Diary of A Nursing Sister on The Western Front 1914 1915 is a tribute to her courageous service and her enduring legacy in the field of nursing Her Story! A Tribute to Italian Women Peter Loyson,2021-03-30 A unique book Italian women at their best What talent This book is a must read for everyone who loves Italian culture and those who appreciate talented women Extensively researched with hundreds of references it is a comprehensive encyclopedic analysis highlighting the length and breadth of Italy s most incredibly talented women including 114 writers 56 opera singers 63 other singers 55 musicians 52 film icons 39 fashion designers 59 medical women 40 chefs 47 artists 23 academics and 114 sportswomen amongst others All discussed in chronological order in each of their fields with many interesting stories including a chapter on the emigration of impressive female Italian talent

The Italian Way Douglas Harper,Patrizia Faccioli,2010-01-15 Outside of Italy the country s culture and its food appear to be essentially synonymous And indeed as The Italian Way makes clear preparing cooking and eating food play a central role in the daily activities of Italians from all walks of life In this beautifully illustrated book Douglas Harper and Patrizia Faccioli present a fascinating and colorful look at the Italian table The Italian Way focuses on two dozen families in the city of Bologna elegantly weaving together Harper s outsider perspective with Faccioli s intimate knowledge of the local customs The authors interview and observe these families as they go shopping for ingredients cook together and argue over who has to wash the dishes Throughout the authors elucidate the guiding principle of the Italian table a delicate balance between the structure of tradition and the joy of improvisation With its bite sized history of food in Italy including the five hundred year old story of the country s cookbooks and Harper s mouth watering photographs The Italian Way is a rich repast insightful informative and inviting **Geniuses, Heroes, and Saints** Massimiano Bucchi,2025-05-13 A rich account of the world s leading science prize told through the lives it has changed the controversies it has generated and the impact it has made on the public In a world where the work of science largely remains inscrutable to the general public the Nobel Prize confers a degree of intelligibility like no other honor Our best known and most prestigious award for individual scientific achievement

the Nobel attaches a brilliant face to a story of profound discovery making moving headlines In *Geniuses Heroes and Saints* Massimiano Bucchi tells an equally compelling story of the Nobel s transformation of science into an epic pursuit legible both to the field and to the public bound up with the currents of historical change Three main narratives characterize the Nobel The scientist as genius portrayed as a creative visionary an exceptional intellect reflecting a solitary and romantic ideal of great communicative impact The scientist as national hero acts as a surrogate of competition among nations in a peaceful rational contest The scientist as saint shines with moral exceptionality a figure worthy of celebration and worship known for virtues such as modesty humility and total dedication body and soul to the scientific enterprise Whether the recipient was Albert Einstein or a countryside doctor toiling for years in obscurity whether the prize was worthily given or awarded to work later disproved or whether we even remember the honorees today the Nobel defined the image of science in the twentieth century Bucchi shows an image that still lives in all sorts of fascinating ways today
