Wildcat Anarchist Comics Donald Rooum,2016-08-15 Wildcat Anarchist Comics collects the drawings of Donald Rooum mostly but by no means entirely from the long running Wildcat cartoon series that has been published in Freedom newspaper since 1980 Rooum does not just purvey jokes but makes the drawings comical in themselves getting the humour in the line provoking laughter even in those who do not read the captions or speech balloons The chief characters in the strip are the Revolting Pussycat a short fused anarchist who is furious and shouty and the Free Range Egghead an intellectual who would like anarchism to be respectable but sometimes appears foolish Governments bosses and authoritarians are presented as buffoons and quite often so are anarchists This thoughtful and delightful collection includes strips from The Skeptic and many more all beautifully colored for the first time by Jayne Clementson The book also includes a lively autobiographical introduction that discusses Rooum s role in the 1963 Challenor case in which a corrupt police officer planted a weapon on Rooum at a demonstration ultimately resulting in Rooum s acquittal
