The Peabody Sisters Megan Marshall, 2017-11-01 Pulitzer Prize Finalist A stunning work of biography about three little known New England women who made intellectual history The New York Times Elizabeth Mary and Sophia Peabody were in many ways the American Brontës The story of these remarkable sisters and their central role in shaping the thinking of their day has never before been fully told Twenty years in the making Megan Marshall's monumental biography brings the era of creative ferment known as American Romanticism to new life Elizabeth Peabody the oldest sister was a mind on fire influence on the great writers of the era Emerson Hawthorne and Thoreau among them who also published some of their earliest works it was she who prodded these newly minted Transcendentalists away from Emerson's individualism and toward a greater connection to others Middle sister Mary Peabody was a passionate reformer who finally found her soul mate in the great educator Horace Mann And the frail Sophia an admired painter among the preeminent society artists of the day

married Nathaniel Hawthorne but not before Hawthorne threw the delicate dynamics among the sisters into disarray Casting new light on a legendary American era and on three sisters who made an indelible mark on history Marshall's unprecedented research uncovers thousands of never before seen letters as well as other previously unmined original sources A massive enterprise The Peabody Sisters is an event in American biography The New York Times Book Review Marshall's book is a grand story where male and female minds and sensibilities were in free fruitful communion even if men could exploit this cultural richness far more easily than women The Washington Post Marshall has greatly increased our understanding of these women and their times in one of the best literary biographies to come along in years New England Quarterly

The Modern Review Ramananda Chatterjee,1922 Includes section Reviews and notices of books Archaeology and Preservation of Gendered Landscapes Sherene Baugher,Suzanne M. Spencer-Wood,2010-03-11 Historical archaeology of landscapes initially followed the pattern of Classical Archaeology by studying elite men's gardens Over time particularly in North America the field has expanded to cover larger settlement areas but still often with ungendered and elite focus The editors of this volume seek to fill this important gap in the literature by presenting studies of gendered power dynamics and their effect on minority groups in North America Case studies presented include communities of Native Americans African Americans multi ethnic groups religious communities and industrial communities Just as the research focus has previously neglected the groups presented here so too has funding to preserve important archaeological sites As the contributors to this important volume present a new framework for understanding the archaeology of religious and social minority groups they also demonstrate the importance of preserving the cultural landscapes particularly of minority groups from destruction by the modern dominant culture A full and complete picture of cultural preservation has to include all of the groups that interacted form it
