Sixth Fleet:

The Sixth Fleet David E. Meadows, 2001-06-01 In the future America will not fight for freedom America will not fight for justice America will fight for survival The United States of America is no longer a dominant superpower Countries that were once allies now race to establish their own influence around the globe Slowly but surely America is becoming a shadow of its former glory But America's old enemies aren't content to see her fade away They want revenge The Sixth Fleet is America's first defense and last hope Written by a Captain in the U S Navy who has served in both the Pentagon and the Joint Chiefs of Staff this electrifying new series offers an insider's view of international conflict and naval combat as you've never read before

Naval Aviation News, 1960

Power at Sea Lisle A. Rose, 2007 Volume 1 Traces the social issues technological advances and combative encounters of the international naval race from 1890 through WWI as the largest industrial nations U S Great Britain Japan and Germany scrambled to secure global markets and empire using their battleship navies as pawns of power politics Provided by publisher

US Navy F-4 Phantom II Units of the Vietnam War 1964-68 Peter E. Davies, 2016-08-25 The F 4 Phantom II is perhaps the most famous post war fighter Primarily used as a land based fighter bomber and reconnaissance platform its naval origins and the immense contribution made to the US war effort in Vietnam by its original carrier based versions began its legend This title examines the unique aspects of the Phantom that made it so crucial to US Navy pilots during the Vietnam War its massive engine power long range speed the most powerful airborne search and fire control radar installed in a fighter at the time and of course its versatility as a ground attack and air to air platform Packed with first hand accounts unique profile artwork and rare photographs this is the history of one of the most important aircraft to be stationed on carriers off Southeast Asia during the war

Surface Warfare, 1981

NATO's Southern Allies John Chipman, 2004-01-14 This book analyses the internal sources of foreign policy within those NATO states whose primary security concerns lie in the southern area of the Alliance It takes a careful look at foreign and defence policy formulation and assesses the special perspective of each of these countries in turn and the military threats that they face Attention is paid to the role of the military in society especially in the geographically peripheral states as the Alliance seeks to adapt to a possible shift southward of some of its security concerns A full understanding of the politics in each of these states is essential to determine the relative importance of national and Alliance priorities in each country as the tensions between external policies and internal necessities increase The book offers an assessment of evolving security requirements in the southern region and of the capacity of NATO Mediterranean states to deal individually and collectively with the changing situation
