My Lion's Heart Gareth Patterson, 2014-09-15 Environmentalist independent researcher and author Gareth Patterson has spent his entire adult life working tirelessly for the greater protection of African wildlife and more particularly for that of the lion Born in England in 1963 Gareth grew up in Nigeria and Malawi From an early age he knew where his life s path would take him it would be in Africa and his life s work would be for the cause of the African wilderness and its wild inhabitants His is an all encompassing African story From his childhood in West and East Africa to his study of a threatened lion population in a private reserve in Botswana to his work with George Adamson celebrated as the Lion Man of Africa we witness Gareth s growing commitment to his life s mission This is nowhere more evident than in his account of his life as a human member of a lion pride experiencing life and death through its eyes as he successfully rehabilitated three

Different Skies Ron Player, 2013-05 Under Different Skies takes the reader to several countries in Africa and the Middle East during the 1950 s and 60 s at a time when many changes were happening World War Two had caused a huge awakening in this region All terrain vehicles and transistor radios were changing the expectations of people in many countries and revolution was always in the air The book gives a glimpse of conditions in these countries as they were then and how geological exploration parties had to cope with them We are given a brief glimpse of Ron s early life in New Zealand then the book becomes a compilation of fascinating anecdotes presented chronologically that trace the adventures encounters and experiences that shaped his life In working as an exploration geologist one is never far from the world of animals and they too feature strongly in his stories
