people to pay their debts He soon graduated to even more dangerous work as a full fledged gang member barely escaping  
with his life on several occasions As a white man navigating an otherwise exclusively Asian world Willis was at first an  
interesting anomaly but his ruthless devotion to his adopted culture eventually led to him emerging as a leader He organized

his own gang of co conspirators and began an extremely lucrative criminal venture selling tens of thousands of oxycodone pills A year long FBI investigation brought him down and John pleaded guilty to save the love of his life from prosecution He has no regrets White Devil explores the workings of the Chinese mafia and he speaks frankly about his relationships with other gang members the crimes he committed and why he ll never rat out any of his brothers to the cops Told to Halloran from Willis s prison cell White Devil is a shocking portrait of a man who was allowed access into a secret world and who is paying the price for his hardened life
