Slang Michael Adams, 2012-08-01 Slang writes Michael Adams is poetry on the down low and sometimes lowdown poetry on the down low but rarely if ever merely lowdown It is the poetry of everyday speech the people's poetry and it deserves attention as language playing on the cusp of art In Slang The People's Poetry Adams covers this perennially interesting subject in a serious but highly engaging way illuminating the fundamental question What is Slang and defending slang and all forms of nonstandard English as integral parts of the American language Why is an expression like bed head lost in a lexical limbo found neither in slang nor standard dictionaries Why are snow boarding terms such as fakie goofy foot ollie and nollie not considered slang As he addresses these and other lexical curiosities Adams reveals that slang is used in part to define groups distinguishing those who are down with it from those who are out of it Slang is also a rebellion against the mainstream It often irritates those who color within the lines indeed slang is meant to irritate sometimes even to shock But slang is also inventive language both fun to make and fun to use Rather than complain about slang as bad language Adams urges us to celebrate slang's playful resistance to the commonplace and to see it as the expression of an innate human capacity not only for language but for poetry

Luv U Mate Dr. Punit Sethi, 2011 Love is sweet Love is kind it isn't just a piece of mind Love is something you need to give something that we share and believe Like a desert needs the water like a flower needs the rain my soul is thirsty for your Love and my heart screams out your name A girl and a boy meet through facebook and fall in love with each other repeatedly saying I LOVE YOU they become the most caring pair and share personal and private secrets with promise to be in love forever But something happens when SHE is taken to anonymity and HE is taken to lift skirts What happens and what options were left for him It is a true love story with some imaginations of the author that revolves around a social networking site called facebook At places you will find as if your own story is being narrated What is to be done in such love stories and during other happenings on social networking sites read on

academic backwater of the history of the language and in reasserting the central role of language in history
