thousand years Brian Fagan and Nadia Durrani look at the endlessly varied role of the bed through time This was a place for sex death childbirth storytelling and sociability as well as sleeping But who did what with whom why and how could vary incredibly depending on the time and place It is only in the modern era that the bed has transformed into a private hidden zone and its rich social history has largely been forgotten Includes photographs      **With Fire and Sword** Henryk Sienkiewicz, 1897
