ones The book is organized into four sections The Ancient Models The Folk Tradition Mythic Echoes Modern Jewish Literature and the Ancient Models Within these divisions each of the essays focuses on a specific genre ranging from Torah and Aggadah to Kabbalah fairy tales and the modern Yiddish stories of S Y Agnon and Isaac Bashevis Singer Arguing the important thesis that there is a continuity in Jewish literature which extends from the Biblical era to our own times over a period of more than 3 000 years this collection also serves as a guide to the history of that literature and to the genres it comprises

Imagining the Jewish God Leonard Kaplan, Ken Koltun-Fromm, 2016-09-09 Jewish art has always been with us but so has a broader canvas of Jewish imaginings in thought in emotion in text and in ritual practice Imagining the Jewish God was there in the beginning as it were engraved and embedded in the ways Jews lived and responded to their God This book attempts to give voice to these diverse imaginings of the Jewish God and offers these collected essays and poems as a living text meant to provoke a substantive and nourishing dialogue A responsive living covenant lies at the heart of this book a covenantal reciprocity that actively engages the dynamics of Jewish thinking and acting in dialogue with God The contributors to this volume are committed to this form of textual reasoning even as they all move us beyond the text as foundational for the imagined people of the book That people we submit lives and breathes in and beyond the texts of poetry narrative sacred literature film and graphic mediums We imagine the Jewish people and the covenant they respond to as provocative intimations of the divine The essays in this volume seek to draw these vocal intimations out so that we can all hear their resonant call
