Designs on the Heart Karal Ann Marling,2006-05-29 In this book Karal Ann Marling looks at Grandma Moses as a cultural phenomenon of the postwar period and explores the meaning of her subject matter and her astonishing fame What did the Greatest Generation see in her simple renderings of people young and old tapping maple trees for syrup making apple butter gliding across snowy fields on sleighs Why did Bob Hope Irving Berlin and Harry Truman all love her and the art czars of New York openly despise her Through the flood of Moses merchandise splashed across Christmas cards dishware yard goods and gewgaws of every kind Marling traces the resonances that these primitive images struck in an America awkwardly adjusting to a new era of technology suburbia and Cold War tensions
