

Slovakia 1918 1938 Education And The Making Of A Nation

James Ramon Felak

Slovakia 1918 1938 Education And The Making Of A Nation:

The Czech And Slovak Republics Carol Leff, 2018-02-15 This clear objective introduction to the politics of Czechoslovakia and the successor Czech and Slovak Republics provides a comprehensive analysis of Czechoslovakia in the postcommunist period Carol Leff builds a framework for understanding the dynamics of the triple transition democratization marketization and a national transformation that has reconfigured the dynamic between state and nation She shows how the interaction of these three transformational agendas has shaped Czechoslovakia's development ultimately culminating in the paradoxical disintegration of a state that most of its citizens wished to preserve The book offers a valuable case study of a country coming back to Europe but it also provides an opportunity for analyzing the influence of communism on what had been a significant interwar European state The book's strong comparative element will make it invaluable as well for those seeking to understand contemporary Central and Eastern Europe

Slovakia nineteen hundred and eighteen 1918 - 1938 Owen V. Johnson, 1985 **Slovakia** Karen Henderson, 2003-08-29 Since Slovakia achieved independent statehood at the end of 1992 it has become one of the most prosperous post communist states This book provides a unique and thorough introduction to Slovakia and will enable the reader to understand its multi faceted nature The book includes chapters on Twentieth Century History Politics Economy and International Relations

A History of Slovakia Stanislav J. Kirschbaum, 2016-05-10 This classic book offers the most comprehensive and up to date history of Slovakia from its establishment on the Danubian Plain to the present While paying tribute to Slovakia's resilience and struggle for survival it describes contributions to European civilization in the Middle Ages the development of Slovak consciousness in response to Magyarization its struggle for autonomy in Czechoslovakia after the Treaty of Versailles its resistance as the first Slovak Republic to a Nazi controlled Europe its reaction to Communism and the path that led to the creation of the second Slovak Republic Now fully updated to the present day the book examines the vagaries of Slovak post Communist politics that led to Slovakia's membership in NATO and the European Union

The Making of the Slovak People's Party Thomas Lorman, 2019-05-30 Winner of the BASEES George Blazycza Prize In 1945 just six years after coming to power the Slovak People's Party SLS was disbanded as a criminal organisation and its leader Jozef Tiso hanged for treason What made it possible for the SLS initially founded in 1905 by priests to represent the Catholic Slovak minority residing in the north of the Kingdom of Hungary to form an openly pro Nazi government in 1939 And what put Slovakia on the path to a fascism that would see more than 45 000 Jews deported to their deaths in 1942 To answer these questions Thomas Lorman draws on more than a decade's research in archives across the region in Hungarian Slovak and Latin and studies the party's formative years in depth for the first time in English Lorman examines the various strands which fused to form the party and its popularity including a complex and nebulous nationalism Catholicism and a resounding mistrust of liberalism and modernity The Making of the Slovak People's Party is a vital and timely study of the genesis and success of far right movements that

will be essential reading for all scholars working on 20th century Eastern European history nationalism and the interplay of religion and politics

The A to Z of Slovakia Stanislav J. Kirschbaum, 2010-05-10 The A to Z of Slovakia offers an up to date series of cross referenced dictionary entries on Slovak political social and economic development since the creation of the second Slovak Republic in 1993 until its admission into the European Union in 2004 It includes all of the political actors the presidents prime ministers and party leaders and many leading academics and cultural personalities including those from the national minorities It also contains entries on the various institutions of the Slovak Republic like the judiciary the armed forces the media and parliamentary committees as well as entries that explain Slovakia s position and role in international organizations like NATO and the European Union The historical survey explains how Slovakia in its post Communist transformation was almost excluded but in the end became a full member of these two institutions

Slovakia, 1918-1938 Owen V. Johnson, 1985 This book deals with aspects of national formation in Slovakia from October 1918 through September 1938 and especially with the role of secondary and higher education in the process

After Hitler, Before Stalin James Ramon Felak, 2009-07-16 After Hitler Before Stalin examines the crucial postwar period in Slovakia following Nazi occupation and ending with the Communist coup of February 1948 Centering his work around the major political role of the Catholic Church and its leaders James Ramon Felak offers a fascinating study of the interrelationship of Slovak Catholics Democrats and Communists He provides an in depth examination of Communist policies toward Catholics and their strategies to court Catholic voters and he chronicles the variety of political stances Catholics maintained during Slovakia s political turmoil Felak opens by providing a background on pre war and wartime Slovak politics notably the rise of Slovak Catholic nationalism and Slovakia s alignment with Nazi Germany during World War II He then describes the union formed in the famed April Agreement of 1946 between the Democratic Party and Catholics that guaranteed a landslide victory for the Democrats and insured a position for Catholics in the new regime Felak views other major political events of the period including the 1947 Czechoslovak war crimes trial of Father Jozef Tiso education policy the treatment of the Hungarian minority the trumped up anti state conspiracy movement led by police in the Fall of 1947 and the subsequent Communist putsch Through extensive research in Slovak national archives including those of the Democratic and Communist parties After Hitler Before Stalin assembles a comprehensive study of the predominant political forces and events of this tumultuous period and the complex motivations behind them

Eastern Europe Richard Frucht, 2004-12-22 A contemporary analysis of the people cultures and society within the regions that make up Eastern Europe Eastern Europe An Introduction to the People Lands and Culture sheds light on modern day life in the 16 nations comprising Eastern Europe Going beyond the history and politics already well documented in other works this unique three volume series explores the social and cultural aspects of a region often ignored in books and curricula on Western civilization The volumes are organized by geographic proximity and commonality in historical development allowing the countries to be both studied individually and juxtaposed

against others in the region The first volume covers the northern tier of states the second looks at lands that were once part of the Hapsburg empire and the third examines the Balkan states Each chapter profiles a single country its geography history political development economy and culture and gives readers a glimpse of the challenges that lie ahead Vignettes on various topics of interest illuminate the unique character of each country

Hitler and Czechoslovakia in World War II Patrick Crowhurst, 2013-10-24 The invasion of Czechoslovakia by Nazi Germany in March 1939 helped to precipitate Europe's descent into World War II six months later The move supposedly to protect the Sudeten Germans shocked many in Europe who saw it as a clear statement of intent by Hitler Here Patrick Crowhurst argues that occupation of the Sudetenland and the Czech lands was also crucial to the Nazi war machine The armaments factories and raw materials that Hitler seized accelerated Germany's capabilities Czech tanks would prove crucial in the Ardennes and as the Wehrmacht fought at Stalingrad Armaments Minister Albert Speer was corralling Czech industrial machinery to produce engines aircraft and equipment in support In addition new Slovakian and Czech primary material are used to give a new in depth account of the German reaction to the assassination of Reinhardt Heydrich on the streets of Prague in June 1942 The recriminations were brutal and dovetailed with Hitler's plans for the genocide of Czech Jewry This is a new side of the History of Nazi Europe and argues for the centrality of the Czech occupation in the overall narrative of World War II

A History of Czechs and Jews Martin Wein, 2015-02-11 Was Israel founded by Czechoslovakia A History of Czechs and Jews examines this question and the resulting findings are complex Czechoslovakia did provide critical secret military sponsorship to Israel around 1948 but this alliance was short lived and terminated with the Prague Trial of 1952 Israel's Czech guns were German as much as Czech and the Soviet Union strongly encouraged Czechoslovakia's help for Israel Most importantly however the Czechoslovak Israeli military cooperation was only part of a much larger picture Since the mid 1800s Czechs and Jews have been systematically comparing themselves to each other in literature music politics diplomacy media and historiography A shared perception of similar fates of two small nations trapped between East and West in constant existential danger helped forge a Czech Jewish national friendship amid periods of estrangement Yet this Czech Jewish national friendship an idea that can be traced from Masaryk and Kafka via Weizman and Ben Gurion to Havel and Netanyahu was more myth than reality Relations were often mixed and highly dependent on larger historical developments affecting Central Europe and the Middle East As the Czech Republic emerges as Israel's main EU ally this book provides a timely analysis of this old new alliance and is essential reading for students and scholars with an interest in History and Jewish Studies

The Economy and Political Culture in New Democracies: An Analysis of Democratic Support in Central and Eastern Europe Kristin Broderick, 2017-11-22 This title was first published in 2000 This research examines the socio economic and cultural factors that influence the development of democracy and also explores how new democracies can be maintained and consolidated It investigates the consolidation of new democracies in Central and Eastern Europe which face the hurdle of transforming their economies The

study looks at the effect of economic factors on popular support for democracy and discusses what factors influence citizen commitment to democratic regimes in Central and Eastern Europe It argues that citizen perception of well being is an important element in influencing political support Case studies cover developing democracies in Europe such as the Czech Republic or Slovakia and policy implications specifically in terms of economic policy are offered that may aid democracies in their consolidation

Debordering and Rebordering Machteld Venken, Steen Bo Frandsen, 2022-04-27 This book addresses practices of bordering debordering and rebordering on the territory of the former Austro Hungarian Monarchy after state borders had been remapped on the negotiation tables of the Paris Peace Treaties following the First World War As life in borderlands did not correspond to the peaceful Europe articulated in the Paris Treaties a multitude of unforeseen complications followed the drawing of borders and states The chapters in this book include new case studies on the creation centralization or peripheralization of border regions such as Subcarpathian Rus Vojvodina Banat and the Carpathian Mountains on border zones such as the Czechoslovakian harbour in Germany and on cross border activities The book shows how disputes over national identities and ethnic minorities as well as other factors such as the economic consequences of the new state borders appeared on the interwar political agenda and coloured the lives of borderland inhabitants The contributions demonstrate the practices of borderland inhabitants in the establishment functioning disorganization or ultimate breakdown of some of the newly created interwar nation states The chapters in this book were originally published as a special issue of the journal *European Review of History*

Slovakia Since Independence Minton F. Goldman, 1999-01-30 Since becoming an independent country after its split from Czechoslovakia in January 1993 Slovakia's development from communism to political and economic democracy underway when it was part of post Communist Czechoslovakia has been difficult and halting Goldman starts with an analysis of the influence of a strong ethnic based nationalism on Slovak relations with Czechs from 1918 through the Second World War and the years of Communist rule through to the breakaway from Czechoslovakia and the creation of an independent state Goldman then examines the political economic socio cultural problems and international difficulties the new Slovak state experienced as it tried to develop a democratic political system move toward a free market economy achieve societal unity and cohesion and protect its interests abroad In showing how a strong Slovak nationalism rooted in recent history has had an impact on policymaking in almost every sphere of national life Goldman examines the roots and causes of Prime Minister Meciar's authoritarian leadership the halting and uncertain transformation of the Slovak economy to a free market the difficulties of governing the country's minorities and the development of new relationships with areas of strategic as well as economic importance to Slovakia's well being as an independent state This comprehensive and up to date analysis will be of great importance to scholars students and other researchers involved with Eastern European Studies

Minorities in Europe Snežana Trifunovska (jurist), Katholieke Universiteit Nijmegen. Centre for Migration Law, 1999-10-19 Political security legal and economic aspects

are highlighted in this volume's coverage of minority issues in Croatia, Estonia and Slovakia. Since these countries achieved independence as a result of the post Cold War dissolution of their predecessor states, there is a relatively complex minority situation in all three, the result of changing state borders. This work contributes to identifying problem areas and the means and mechanisms to ensure adequate protection to minority groups. *The Czechs and the Lands of the Bohemian Crown* Hugh Agnew, 2013-09-01 In this chronicle of a fascinating people, Hugh Agnew offers a single volume survey of Czech history, providing an introduction to its major themes and contours. Agnew presents a detailed chronology of the region from prehistory and the first Slavs to the Czech Republic's entrance into the European Union. Taking into account both Western and Marxist insights, as well as the input of the newest generation of Czech historians, he furnishes a comprehensive fusion of three different aspects of Czech history: a political/diplomatic view, a social/economic view, and a cultural/intellectual view.

The Monumental Nation Bálint Varga, 2016-12-01 From the 1860s onward, Habsburg Hungary attempted a massive project of cultural assimilation to impose a unified national identity on its diverse populations. In one of the more quixotic episodes in this Magyarization, large monuments were erected near small towns commemorating the medieval conquest of the Carpathian Basin, supposedly the moment when the Hungarian nation was born. This exhaustively researched study recounts the troubled history of this plan, which far from cultivating national pride, provoked resistance and even hostility among provincial Hungarians. Author Bálint Varga thus reframes the narrative of nineteenth-century nationalism, demonstrating the complex relationship between local and national memories. *Central and East European Politics* Zsuzsa Csergo, Daina S. Eglitis, Paula M. Pickering, 2021-06-22 Now in a fully revised and updated edition, this essential text provides a comprehensive introduction to Central and Eastern Europe, including the Baltics and Ukraine. Broad but nuanced, it offers a reader-friendly overview of the globally and regionally significant changes and challenges the region faces. Divided into two parts, the book first presents thematic chapters on key issues, including nationalism and challenges to democratic institutions and practices, the contentious politics of memory, debates over demography and migration in a region with a shrinking population, and Russian efforts to retain regional influence through hard and soft power. The case study chapters that follow highlight key political developments after communism, as well as providing a strong foundation for readers on regional history and the political and economic experiences of the communist years. Each covers the foundational topics of political history: political competition, economic development, social problems, relationships with European institutions, and threats to good governance. For students and specialists alike, this book will be an invaluable resource on this dynamic region of Europe.

Federalism Graham Smith, 2014-09-25 This book provides a comprehensive and detailed examination of the successes and failures of federalism in a diverse range of multi-ethnic polities and societies. It offers excellent coverage of the experiences of a wide range of contemporary states, with specially commissioned contributions from established authorities. An introductory chapter introduces the reader to the nature of federations, the political philosophies that underpin federalism,

the characteristics of federal formations and highlights some of the theories as to why this system of government has failed in some cases to provide ethno regional stability A concluding chapter draws upon the findings and examines the prospects for federalism in the light of the acceleration towards greater economic interdependency and local political fragmentation in the post Cold War world

Czechoslovakism Adam Hudek, Michal Kopeček, Jan Mervart, 2021-09-30 This collection systematically approaches the concept of Czechoslovakism and its historical progression covering the time span from the mid nineteenth century to Czechoslovakia's dissolution in 1992 1993 while also providing the most recent research on the subject Czechoslovakism was a foundational concept of the interwar Czechoslovak Republic and it remained an important ideological political and cultural phenomenon throughout the twentieth century As such it is one of the most controversial terms in Czech Slovak and Central European history While Czechoslovakism was perceived by some as an effort to assert Czech domination in Slovakia for others it represented a symbol of the struggle for the Republic's survival during the interwar and Second World War periods The authors take care to analyze Czechoslovakism's various emotional connotations however their primary objective is to consider Czechoslovakism as an important historical concept and follow its changes through the various cultural political contexts spanning from the mid nineteenth century to the breakup of Czechoslovakia in 1993 Including the work of many of the most eminent Czech and Slovak historians this volume is an insightful study for academic and postgraduate student audiences interested in the modern history of Central and Eastern Europe nationality studies as well as intellectual history political science and sociology

If you ally infatuation such a referred **Slovakia 1918 1938 Education And The Making Of A Nation** books that will manage to pay for you worth, acquire the agreed best seller from us currently from several preferred authors. Slovakia 1918 1938 Education And The Making Of A Nation Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Slovakia 1918 1938 Education And The Making Of A Nation free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Slovakia 1918 1938 Education And The Making Of A Nation free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying

the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Slovakia 1918 1938 Education And The Making Of A Nation free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Slovakia 1918 1938 Education And The Making Of A Nation. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Slovakia 1918 1938 Education And The Making Of A Nation any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Slovakia 1918 1938 Education And The Making Of A Nation Books

1. Where can I buy Slovakia 1918 1938 Education And The Making Of A Nation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
