**The Geography of Slovenia** Drago Perko, Rok Ciglič, Matija Zorn, 2019-07-01 This book is the first to give a comprehensive and detailed overview of the complete geography of Slovenia in English Only very few countries even considerably larger ones can boast the landscape diversity found in Slovenia since the Alps the Pannonian Basin the Dinaric Alps and the Mediterranean meet and interweave in this small corner of Central Europe as do Germanic Hungarian Slavic and Romance cultural influences The book provides a systematical overview of physical and human geographical elements of Slovenia from landforms to cultural characteristics Special attention is given to landscape diversity to the presentation of Slovene landscape types and regions to some particularities and interesting facts of Slovenia and to the position of Slovenia in the World The book also illustrates some other important geographical phenomena processes and interactions between nature and society in nowadays Slovenia This volume appeals to researchers as well as students in the field of regional geography It can also serve as a source for complete background information as well as a field guide for Slovenia

*Smiling Slovenia* Vladislav Bevc, 2008 Smiling Slovenia s collection of articles and essays on Slovenia s current political scene boldly declares its dissenting view from the political mainstream beginning with a declaration of a dozen prominent intellectuals presenting their views of Slovenia s political situation Topics range from recent Slovenian history Slovenia s role in the breakup of Yugoslavia foreign policies including liaisons with the Islamic terrorists to modern day Slovenian American relations and Slovenia s admission into the European Union This book shows that Slovenia although outwardly westernized is still deeply rooted in its communistic legacy However prominent intellectuals and democratic politicians strive to hold Slovenia to the highest European cultural ethical political legal and economical standards in public life a goal that may take several generations to achieve Some authors observe that transparency achieved by the present conservative coalition government has already established a state of affairs where return to the old ways of a crypto government would be impossible even if the leftist parties returned to power
